The Chair convened the meeting to order at 2:00 p.m.

Upon a motion duly made and seconded, by roll call vote, it was, by all Members present:

VOTED: That the minutes of the Regular Meeting held on October 14, 2025 are hereby approved and placed on record.

Chief Executive's Report

Chrystal Kornegay began her report by discussing the Opportunity Fund. Ms. Kornegay described the purpose of the Opportunity Fund and the principles that embody it. She explained how a few programs that have received designated opportunity funds had either reached their goals or been succeeded by new programs and therefore a need for consolidation and clean-up is recommended. She then described three proposals for new investment of Opportunity Fund money to finance the Workforce Housing program, Homeownership Initiatives, and a new preservation program.

First, Ms. Kornegay proposed the allocation of \$20 million to the Workforce Housing program. She explained that the goal of the Workforce Housing program is to create affordable mixed-income rental housing. This program has disbursed a total of \$189 million since 2016 with a total of 2,019 units. She noted that there are ten transactions in the pipeline proposing 729 units, of which 139 could be workforce housing units.

In response to Chair Pinado's question, Ms. Kornegay confirmed that the ten transactions represent a one-year pipeline.

Next, Ms. Kornegay proposed the allocation of \$20 million to a Homeownership Initiatives program. Homeownership Initiatives could include funds for Downpayment Assistance, to cover the MI Plus single premium for Workforce Advantage Program borrowers, and funds to enhance the agency's home improvement loan programs to support production of accessory dwelling units.

Finally, Ms. Kornegay proposed the allocation of \$20 million for the preservation of Naturally Occurring Affordable Housing ("NOAH") to mitigate the risk of losing affordable housing in the Commonwealth.

She concluded by noting the remaining undesignated funds will safeguard against the increasing uncertainty in the Agency's business, particularly with the federal government shutdown and the 2026 pipeline coming together in an environment with tariffs and cost escalations.

Ms. Panacopolous asked what kind of demand the Agency was seeing for ADUs. Ms. Kornegay explained that the Agency has heard a lot with respect to the barriers to ADU development and is early in program development working with the City and others to build out a program that minimizes some of those barriers.

Mr. Dunn noted that he is seeing ADUs advancing by-right now and that there is a lot of discussion with local banks that are seeing challenges with sitework and connecting to existing utilities.

Ms. Panacopolous inquired whether a rural focused program has been considered. Secretary Augustus explained that a number of discussions have been happening around a rural program. Ms. Kornegay shared that there has been a lot of feedback indicating that rural projects would require higher subsidy thresholds.

Ms. Kornegay then presented the several votes relating to the Opportunity Fund.

Upon a motion duly made and seconded, by roll call vote, it was, by all Members present:

VOTED: to approve the Votes and findings as presented in the Board package that is attached and incorporated into the minutes of the meeting.

Updated Commonwealth Builder Guidelines

Colin McNiece presented a vote to adopt the updated Commonwealth Builder Guidelines.

Upon a motion duly made and seconded, by roll call vote, it was, by all Members present:

VOTED: to approve the vote and findings as presented in the Board package that is attached and incorporated into the minutes of the meeting.

Creating a Support Fund within the Single Family Housing Revenue Bond Resolution

Rachel Madden presented a vote to adopt the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution for the purpose of creating a Support Fund within the Single Family Housing Revenue Bond Resolution.

Ms. Madden summarized the history of a prior amendment to the resolution that became effective in 2020 and allowed the Agency the option of taking an issuer fee out of the resolution. She explained that the Agency is authorized to transfer an issuer fee out of the resolution on semi-annual debt service payment dates of June 1 and December 1, but to date, has elected to retain such amounts within the Resolution to increase its wealth, improve asset parity ratio and allow the Agency to support DPA and other vital lending efforts. The creation of a sub-account allows additional optionality for the Agency to elect an issuer fee but rather than being restricted to each 6-month debt service payment date and have to take funds out of the resolution completely, leaving the money in a sub-account within the resolution where the Agency may use it, and any accruals, as part of a financing or withdraw it for other purposes, either of which may occur at any point in time.

In response to Ms. Avellaneda's question, Ms. Madden confirmed that if an issuer fee is not elected in each June and December, it cannot be made later.

Ms. Avellaneda further inquired whether the change needed to be presented to bondholders. Ms. Madden explained that it did not because the funds are no longer pledged to the bondholders. Stephanie Massey, one of the Agency's bond counsel for the single-family program, also stated that following the 2017 amendment, the funds are treated as Program Expense and no further bondholder action is necessary.

Upon a motion duly made and seconded, by roll call vote, it was, by all Members present:

VOTED: to approve the vote and findings as presented in the Board package that is attached and incorporated into the minutes of the meeting.

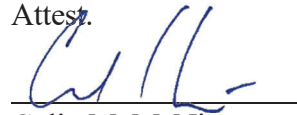

The Chairman asked if there was any other old or new business for the Members' consideration.

There was none.

There being no other business to consider, the meeting adjourned at 2:46 p.m.

A true record.

In March 2016, the Agency established the Opportunity Fund to support mission- driven initiatives (the “Opportunity Fund”). The idea behind this concept was to use half of all excess earnings in the Working Capital Fund to build Agency capital while using the remaining half for mission-driven initiatives.

- **MI Plus** coverage protects borrowers from job loss **through up to 6 months of mortgage payments**

Boosting Inventory with Accessory Dwelling Units (ADUs)

Initiatives include:

- 1. Funds for **Down Payment Assistance (DPA)** could be applied to **defray the costs** of providing our most impactful **Workforce Advantage (WFA) program**
- 2. Funds to cover **Mortgage Insurance premiums** for our WFA DPA homebuyers creating significant monthly savings for new homeowners
- 3. Funds for an existing loan program to **spur production of ADUs**

These funds would augment the bond financing necessary to support these initiatives and further the sustainability of these mission mission-driven programs.

NOAH Preservation Strategy | Background

Naturally Occurring Affordable Housing ("NOAH") is below market-rate rental housing that is affordable to moderate-income households **without subsidies or use restrictions**.

When NOAH properties are sold, there is a risk of steep increases; preserving NOAH properties **protects existing residents from displacement** and **increases the inventory of deed-restricted housing at significantly lower cost** than new construction.

These properties also typically require additional funding to support **renovations and upgrades**.

Sales of NOAH properties do not follow a predictable timeline, as independent owners can choose to sell their properties at any time, resulting in **unpredictable inventory levels**.

NOAH transactions move more quickly than those in affordable housing rehabilitation or preservation, where there are more stringent processes and regulations.

NOAH Preservation Strategy | Request

We are requesting \$20M in Opportunity Funds

Business Line	Program	Strategic Business Goals	Innovation	Grow Lending Activity	Deploy Agency/Leverage Other Capital	Commitment to Diversity and Inclusion	Support Ecosystem Growth
MF	NOAH Preservation Strategy	✓	✓	✓	✓		

MassHousing can mitigate the risk of losing affordable housing in the Commonwealth by allocating Opportunity Fund resources towards NOAH preservation.

Generally, developments seeking preservation funds will meet the following criteria:

- **NOAH housing** outside of the City of Boston
- Following acquisition, a portion of the units will be **restricted at 80-100% AMI** and will meet MassHousing statutory affordability requirements
- MassHousing will be the **senior debt lender**
- MassHousing NOAH funding may be in the form of **subordinate debt** or **equity**

NOAH Preservation Examples

Newton Gardens

- Acquisition and light rehabilitation of **nine-building campus** in Newton
- Adding **112 existing rental units** to the affordable housing inventory, **preserving affordability** for current and future residents
- Roughly \$140,000 public subsidy per unit, about **one-third of typical new construction subsidies**

Lynn Portfolio

- Acquisition opportunity for **seven-building scattered-site portfolio** in Lynn
- Potential to add **102 existing rental units** to the affordable housing inventory, which would **preserve affordability** for current and future residents
- Roughly \$75,000 public subsidy per unit, about **one-sixth of typical new construction subsidies**

Guarding Against Uncertainty

- The amount of uncertainty is higher in our business today
- Government shutdown may result in additional delays and consequent expenses
- The 2026 pipeline is coming together in an environment with tariffs and cost escalations
- The remaining undesignated opportunity funds will help safeguard against uncertainties

On February 1, 2020, the Members of the Agency approved the initial version of the Commonwealth Builder program guidelines, attached as EXHIBIT 1 to this memorandum. These guidelines were approved in conjunction with the Members' authorization to accept a transfer of \$86,200,000 from MassDevelopment to the Agency's Opportunity Fund, \$60,000,000 of which was to be used for Commonwealth Builder projects.

In the years following that vote, new versions of the Commonwealth Builder program guidelines were incorporated into contracts from the Executive Office of Housing and Livable Communities (EOHLC) for the Agency to administer ARPA funds and 2022 Economic Development Bill funds that were appropriated by the legislature to the program. To help address a sudden increase in interest rates and construction costs, these guidelines provided for higher per-unit subsidy for lower affordability tiers and additional funds for extraordinary site conditions and made funding available during project construction instead of at the point of unit sale. They also incorporated certain project eligibility requirements and selection preferences from the applicable appropriation bills and other technical changes intended to improve program administration.

Staff now proposes that the Members approve the updated guidelines attached as EXHIBIT 2, which would apply to all sources of funds for the program, including the remaining portion of the original \$60,000,000 deposited in the Opportunity Fund. These updated guidelines incorporate some of the changes that were included in the EOHLC contracts and further refinements recommended by staff based on experience with prior projects and to reflect the transition of the program's administration from the Agency's rental division to its Strategic Community Investments division.

Compared to the 2020 program guidelines approved by the Members, key changes in the proposed guidelines include:

- Expands eligible project locations to include Randolph and Framingham (which were officially identified by the state as being among the "disproportionately impacted communities" affected by COVID), in addition to the Gateway Cities, the City of Boston, and Qualified Census Tracts in any city or town
- Reduces minimum project size from 20 units to 10 units
- Adds requirement that all projects have at least one unit adaptable to full accessibility, even if not required by code
- Increases maximum amount of per-unit "formula" subsidy for units restricted at 70%-100% of AMI from \$150,000 to \$250,000

- In addition to the per-unit “formula” subsidy, makes up to \$2,000,000 in subsidy available per project to address extraordinary site conditions
- Increases maximum amount of subsidy for a single project from \$5,000,000 to \$10,000,000
- Makes funds available as a forgivable subordinate construction loan during project construction instead of as a grant to the developer when units are sold
- Reduces allowable developer fee and overhead for projects outside of Boston to a combined 10% or 12% (depending on project size) of total development costs, instead of 20%¹
- Adds requirement that homebuyers be subject to a 15-year shared appreciation restriction following a 15-year affordability restriction
- Funds to be awarded in a competitive round instead of on a rolling application basis
- Adds selection preferences for projects requesting less than \$5,000,000 in subsidy, projects requesting less than \$250,000 per unit (instead of less than \$150,000 per unit), and projects with total development costs under \$599,999 per unit
- Funding award decisions to be made by the Chief Executive Officer or their designee, in consultation with a program advisory committee made up of staff from various departments, instead of by a selection committee

With these changes, the Commonwealth Builder program would continue to provide a cash subsidy to projects that produce homeownership units affordable to middle-income homebuyers, unlocking the transformative benefits of stable homeownership and wealth accumulation, consistent with the initial program approved by the Members. However, taken as a whole, these changes constitute a material modification to the program guidelines approved by the Members in 2020 for the reserved funds in the Opportunity Fund, which, under the 2020 vote, requires their re-approval.

Accordingly, Agency staff recommend the following vote:

VOTED: To approve the Commonwealth Builder Program Guidelines substantially in the form attached as Exhibit 2 hereto, and to authorize the Chief Executive Officer to modify such guidelines from time to time, as the Chief Executive Officer, in consultation with the Vice President of Strategic Community Investments and General Counsel or their designees, deems necessary or appropriate for the orderly administration of the program.

¹ Funding for selected projects in the City of Boston would continue to be coordinated with the Mayor’s Office of Housing, which imposes a 10% limit on combined developer fee and overhead.

Commonwealth Builder Program Guidelines (Workforce Homeownership Production)

October 8, 2019 (as Adopted and Revised by MassHousing on February 11, 2020)

Massachusetts is experiencing rapid economic growth and a surging population, and many of its moderate-income households are expressing a demand for high-quality homes to purchase. However, in neighborhoods across the Commonwealth, the market is not producing an adequate supply to meet that demand; this is particularly true in communities of color – including Gateway Cities – where moderate-income households looking to purchase their first home well outnumber the appropriate stock.

Recent research data ¹ reflects that the nationwide rate of homeownership among white households outpaces rates among households of color by over 25 percent. The gap has increased over the past 20 years, erasing the gains made in the second-half of the 20th century and then some. In Massachusetts, the homeownership rate for people of color is approximately half what it is for white residents – a statewide disparity that is the sixth greatest in the nation.

The lack of moderately-priced inventory in many communities is yet another obstacle that prevents minority homebuyers from investing in a home of their own and may widen the racial homeownership gap further still. Yet absent a market incentive, demand will likely continue to outpace supply in communities of color and for moderate-income households across Massachusetts.

MassHousing seeks to contribute to the solution through the creation of its Commonwealth Builder Program. The program, based on the Agency's successful Workforce Rental Housing Program, dedicates \$60 million to create new affordable homeownership opportunities for households earning between 70% and 120% of the area median income (AMI). This program will help increase the homeownership opportunities for households of moderate means, and will support vibrant communities, a strong economy and a stable workforce in the Commonwealth.

MassHousing has established the program guidelines set forth below to ensure that program funds are utilized to add to the supply of new workforce homeownership housing units and the long-term availability of those units to eligible moderate-income households. Although not intended to set forth all the terms and conditions of MassHousing's funding, these guidelines define program eligibility and certain requirements associated with the financing of these units, including compliance with MassHousing's enabling act, Chapter 708 of the Acts of 1966, as amended. Individual projects that are consistent with the program goals may require deviation from these guidelines; these will be reviewed by MassHousing staff on a case-by-case basis and will be subject to approval by the Executive Director or Vice President of Multifamily Programs, in consultation with the Selection Committee (described below).

¹ See, e.g., 2018 American Community Survey data, U.S. Census Bureau

A. Program Requirements

Commonwealth Builder funds will be made available for eligible homeownership projects in the Commonwealth located within (1) the City of Boston, (2) Gateway Cities, and (3) Qualified Census Tracts (QCTs). Commonwealth Builder funding may not exceed \$150,000 per restricted workforce unit, with a per project maximum of \$5 million.

Project funding will generally be provided as a grant to the single-purpose, sole-asset entity undertaking the project (the “Developer”), with proceeds disbursed in installments upon the sale of the of the homeownership units that are subject to the program restrictions and requirements (the “Restricted Workforce Units”) to eligible first-time homebuyers. In certain instances, MassHousing may allow earlier program funding for projects where MassHousing and the local municipality have agreed to coordinate on construction funding and administration; the structure and terms of such funding will be as established by the Executive Director or the Vice President of Multifamily Programs, in consultation with the Selection Committee.

1. **Project Type.** New construction and/or adaptive re-use. In addition to the Restricted Workforce Units, eligible projects may include market homeownership units, restricted and/or market rental units, and/or ancillary commercial units.
2. **Unit Type.** Single-family homes or condominiums with professional management.
3. **Single Site.** The entire project must be on a single site.
4. **Minimum Number of Units/Number of Subsidized Units per Project.** Eligible projects must include at least **twenty (20)** total project units, of which the greater of (i) **25%** of the total homeownership units or (ii) **ten (10)** homeownership units must be Restricted Workforce Units.
5. **Age Restriction.** None allowed for Restricted Workforce Units.
6. **Targeted Affordability.** The Commonwealth Builder subsidy will be available for homeownership units restricted for sale to first-time homebuyer households with a household income that does not exceed the specified affordability tier within the range of 70% to 120% of AMI. A project may establish multiple affordability tiers for the Restricted Workforce Units.
7. **Affordability Restriction.** For projects in the City of Boston, following the Department of Neighborhood Development’s (DND) Long-Term Affordability Policy, affordability terms must be 30 years with a 20-year extension at the City’s option.² The affordability restriction for projects in the rest of the Commonwealth must be at least 15 years.
8. **Sales Price Differential Between Market and Workforce/Subsidized Units.** In general, the program’s intent is to fund projects where the differential is 1.25 to 1, but projects that do not meet this qualification will be considered on a case-by-case basis.
9. **Maximum Sales Prices for Workforce Units.** Sales prices will be set at levels affordable to first-time homebuyers within the targeted affordability requirements.
10. **Maximum Amount of Developer Overhead/Profit per Project.** For projects in the City of Boston: 5%/5% and for projects in the rest of the Commonwealth: 10%/10%.
11. **Affordability Restriction and Other Program Documents.** The Developer’s obligations will be set forth in project documents as required by MassHousing. Projects in the City of Boston will be subject to a restrictive covenant modelled on DND’s Affordable Housing Covenant granted by

the Developer. For projects in the rest of the Commonwealth, the restriction obligations will be set forth in the Fannie Mae deed rider signed by the homebuyer. Homebuyers will also be required to execute a non-monetary mortgage securing the restriction obligations and other documents.

12. **Local Subsidy; Limit on State Resources.** Commitment of a local subsidy and/or other development support in some form from the applicable municipality is required. MassHousing does not anticipate that projects will rely on any other state subsidies or resources, such as subordinate financing under the Affordable Housing Trust or other DHCD loan programs.
13. **Project Team.** For projects in the City of Boston, the project team will need approval from DND³ and all members must be in good standing with MassHousing and its quasi and public affiliates. For projects located in the rest of the Commonwealth, the project team must (i) have a history with at least one development of a similar scale, (ii) be in good standing with MassHousing and its quasi and public affiliates, and (iii) demonstrate financial capacity including meeting MassHousing's equity and working capital requirements.
14. **Design.** Design will be reviewed and approved by MassHousing and schematic design level drawings and preliminary specifications will be required at application.
15. **Preferences.** Preferences for program funding will be given to (i) mixed-income projects; (ii) projects that include workforce homeownership units restricted at 70% AMI; (iii) projects that request less than \$150,000 per restricted workforce homeownership unit; and (iv) projects with a design that incorporates creative energy efficiency and sustainability measures.
16. **Marketing and Sale Diligence.** The project's affirmative fair housing marketing plan, marketing program, and lottery and waitlist program will be subject to MassHousing's review and approval.
17. **Cost Savings.** If the actual costs of the project construction and/or rehabilitation set forth in the cost certification approved by MassHousing are less than the estimated costs in the development budget submitted to MassHousing, MassHousing shall reduce (or the Developer shall repay) program funding for the project in an amount mutually agreeable to MassHousing and the Developer.
18. **Inclusionary Units.** Units required for inclusionary zoning purposes are not eligible for this subsidy.
19. **Application Fee.** \$7,500
20. **Approval of Condominium Documents.** For condominium projects, the condominium documents will be subject to MassHousing's approval.

B. Homebuyer Requirements

Eligible homebuyers must satisfy the applicable affordability requirements and qualify as first-time homebuyers.

In the City of Boston

For Restricted Workforce Units in the City of Boston, first-time homebuyer requirements will be as established by DND.

The Selection Committee will also provide advice and guidance regarding the program.

E. Unit Re-Sale and Compliance Monitoring

The re-sale of any Restricted Workforce Unit during the affordability term must be in compliance with the terms of the applicable affordability restriction on and otherwise affecting such unit.

Income Restriction	Restriction tiers permitted from 70 to 120% of AMI; generally, no higher than the income level at which comparable market units are affordable (assuming 30% of income spent on housing). For units restricted at 80% of AMI, the income limit will be as determined annually by HUD as the “low income” limit. For all other tiers, income limits will be as published annually by MassHousing in connection with its Workforce Housing Program.
Overlapping Restrictions	<p>Unless otherwise approved by MassHousing, Restricted CWB Units may not be subject to additional affordability restrictions imposed by ground leases, deed restrictions or other subsidy programs.</p> <p>All units in a project restricted at the same affordability tier (e.g., 80% of AMI) must be restricted by the same form of deed restriction.</p>
Homebuyer Requirements	<p>Restricted CWB Units must be sold to first-time homebuyers as defined below.</p> <p><i>First-time homebuyer</i> means an individual or household, of which no household member has had an ownership interest in a principal residence at any time during the three (3)-year period prior to the date of qualification as an eligible purchaser, unless such ownership was by (i) any individual who is a displaced homemaker (as may be defined by the Massachusetts Executive Office of Housing and Livable Communities) (ii) any individual who is a single-parent who has only owned a house with a former spouse while married or (iii) any individual who has owned a dwelling unit whose structure is not permanently affixed to a permanent foundation in accordance with local or other applicable regulations or is not in compliance with applicable building codes, or other applicable codes, and cannot be brought into compliance with the codes for less than the cost of constructing a permanent structure.</p> <p>At the time eligibility is determined, homebuyers must have assets that comply with the following limits:</p> <ol style="list-style-type: none"> 1) less than \$155,000 as of September 2025, which is adjusted annually in subsequent years for inflation using the CPI-W index; and 2) excluding all IRS-recognized retirement accounts, up to \$250,000 total. <p>Recipients of HUD assistance are exempted from the CWB asset limit.</p> <p>Additionally, homebuyers must (1) obtain a fully amortizing, fixed-rate, 30-year mortgage loan that meets CommonWeath Builder homebuyer financing requirements, (2) provide a minimum 3% down payment from their own funds or an approved Down Payment Assistance program, (3) pay closing costs, and (4) complete homeownership counseling by the time of purchase.</p>

	<p>These Homebuyer Requirements shall apply to all CWB Projects, including those committed and funded under prior versions of the CWB Guidelines.</p>
Homebuyer Preferences	<p>First, preference will be made for homebuyers that are rightsized households based on the targeted AMI tier and the unit size. <i>Rightsized Household</i> means a household with a number of members equal to or more than the number of bedrooms in a given unit plus one.</p> <p>Second, preference will be made for homebuyers that are <i>Disproportionately Impacted Households</i> defined as: A household that (i) has an annual income at or below 80% of area median income for the location of the project; or (ii) currently resides in a “qualified census tract” (as designated by HUD); or (iii) currently resides in one of the following towns or cities: Boston, Attleboro, Barnstable, Brockton, Chelsea, Chicopee, Everett, Fall River, Fitchburg, Haverhill, Holyoke, Lawrence, Leominster, Lowell, Lynn, Malden, Methuen, New Bedford, Peabody, Pittsfield, Quincy, Revere, Salem, Springfield, Taunton, Westfield, Worcester, Framingham, or Randolph.</p> <p>Other preferences may be approved by MassHousing to the extent that such preference is allowable under applicable law and is subsequent to the preferences listed above. SHI Eligibility	<p>Restricted CWB Units generally do not qualify for inclusion in the State Housing Inventory (SHI) maintained by the Executive Office of Housing and Livable Communities. If required by a local inclusionary zoning ordinance and for projects relying on Commonwealth Builder as the subsidy program for 40B comprehensive permit eligibility, MassHousing will consider using a modified deed rider for up to 25% of the Restricted CWB Units, provided they comprise all units restricted at a given affordability tier.</p>

E. Commonwealth Builder Funding Levels and Requirements	
State Subsidy	In general, Projects may not rely on any other state subsidies or resources, such as subordinate financing under the Affordable Housing Trust or other Massachusetts Executive Office of Housing and Livable Communities loan programs.

Construction Monitoring	MassHousing, the Developer, and, at their option, the senior construction lender, shall engage a lender advisor acceptable to MassHousing, at the Developer’s sole cost, to provide cost review and construction monitoring services.

F. Developer Fee / Profit and Overhead	
Developer Fee and Overhead	<p>The maximum permitted developer fee and overhead will be set at the award of CWB funds according to the following formula:</p> <ol style="list-style-type: none"> For projects with 25 or more total units (“Large Projects”), total developer fee and overhead may not exceed 10% of the Total Development Cost (TDC) (excluding overhead and developer fee) in the development budget approved by MassHousing at such time (the “Awarded TDC”); and For projects with fewer than 25 units (“Small Projects”), total developer fee and overhead may not exceed 12% of the Awarded TDC (excluding overhead and developer fee). <p>The maximum permitted developer fee and overhead includes all profits, distributions, fees and other payments to members and managers of the Developer and any affiliates thereof, and any payments to third-party development consultants, in each case, unless otherwise approved by MassHousing. General contractor and architectural services provided by affiliates of the Developer or Sponsor shall be reviewed on a case-by-case basis. Any changes to developer fee and overhead based on increases to Total Development Costs (the “Final TDC”) shall be subject to MassHousing’s review and approval.</p> <p>Repayment of Sponsor or investor equity is not counted in the calculation of developer fee. Returns on Sponsor or investor equity are counted in the developer fee and overhead calculation.</p>
Cost Savings and Excess Sales Proceeds	<p>If the actual sales proceeds realized are higher than projected and are not offset by an increase in development costs any such cost savings and/or excess sales proceeds shall be applied as follows:</p> <ol style="list-style-type: none"> First, to increasing developer fee and overhead to 10% of the Awarded TDC per unit for Large Projects or 12% of the Awarded TDC for Small Projects; Second, to repaying or reducing the amount of Site Condition Assistance funds, <i>if applicable</i>; and Third, to repaying or reducing the amount of CWB Formula Funds. <p>For projects in the City of Boston that are undertaken pursuant to the joint initiative with MOH, and other projects for which MassHousing and another project funder have agreed to coordinate on construction funding and administration, excess funds may be subject to additional restrictions.</p>

G.Affordability Restrictions and Requirements for Restricted CWB Units

Documentation	<p>Except as provided below, restrictions on homeowners who purchase a Restricted CWB Unit will be set forth in one or more MassHousing form deed rider(s) and a non-monetary mortgage securing the restriction obligations or similar document(s) recorded at the closing of unit sale.</p> <p>For projects in the City of Boston that are undertaken pursuant to the joint initiative with MOH, and other projects for which MassHousing and another project funder have agreed to coordinate on construction funding and administration, the restrictions on homeowners who purchase a Restricted CWB Unit will be set forth in MOH's form of Affordable Homeownership Deed Rider and related documents or such other funder's form of restriction, respectively, which may have different terms from those below.</p>

MEMORANDUM

To: Agency Members

From: Rachel Madden

Subject: Single Family Housing Revenue Bond (“SFHRB”) Resolution 2025 Support Fund Amendment

Date: November 12, 2025

2017 Issuer Fee Amendment - Background

In 2017, MassHousing (“MassHousing” or the “Agency”) indicated to its financial advisor, cfX, and its bond counsel, Troutman Pepper Locke LLP, that it wished to establish a mechanism for the withdrawal of certain of the earnings it had generated from its allowable spread, the difference between the mortgage interest received on loans versus the lower yield paid out to bondholders.

In August 2017, a “springing” amendment to the Resolution was inserted that would permit the withdrawal of an administrative “Issuer Fee” on semi-annual June 1 and December 1 dates. The treatment was intended to be the same as servicing, trustee and guaranty fees (all program expenses), which means that the Agency would be permitted to withdraw this amount out of the Resolution without going through the full waterfall process. Commencing with the Series 187-189 Bond issue, the proposed amendment was included in each Resolution Official Statement and created the newly defined Issuer Fee that would be computed as 0.125% multiplied by the amount of SFHRB bonds outstanding beginning in Series 219-220 and including all subsequent issues.

The amendment became effective after the December 2020 issuance of the Series 219-220 Bonds, when approximately 63.5% of the SFHRB bonds outstanding had been issued after the inclusion of the amendment language and thus bondholders were deemed to have consented to it.

This gave MassHousing the option to withdraw Issuer Fees each June 1 and December 1. However, even after the Issuer Fee Amendment became effective, MassHousing elected to retain the potential Issuer Fee amounts within the SFHRB Resolution. This has facilitated significant funding of Down Payment Assistance Loans and other beneficial lending without creating rating agency concerns about diminishment of asset parity, which may otherwise have occurred.

2025 Support Fund Amendment

In March 2025, MassHousing and cfX discussed whether an initial distribution of the Issuer Fee could be made into the Working Capital Fund. The 2017 amendment did not contemplate accrual of earned fees, however, if the calculated Issuer Fee was not distributed on a semi-annual interest payment date, it could only be removed in the future with a rating agency confirmation.

Rather than forfeit the ability to access funds on a non-interest payment date in the future, cfX proposed the solution of a further amendment to add a “Support Fund” inside the SFHRB Resolution. Issuer Fee amounts could be held in the Support Fund for future distribution, at MassHousing’s discretion, until needed. Distribution would not be limited to semi-annual interest payment dates or to the total accrued fee. Troutman Pepper Locke LLP confirmed that the amendment to create a new fund under the Resolution could be accomplished without bondholder consent. The SFHRB trustee (U.S. Bank) and its counsel (Nixon Peabody) agreed. However, approval by MassHousing’s Board is required.

A Supplemental Resolution will be drafted to add “Support Fund” as a defined term of the Resolution. An amendment to the SFHRB Resolution will detail how the Issuer Fee is to be calculated and that it is to be deposited into the Support Fund.

If the 2025 Support Fund Amendment is approved at MassHousing’s November 12, 2025, Board Meeting, accrued fees may be deposited into the newly created Support Fund on December 1, 2025, and on each semi-annual interest payment date thereafter. Fee amounts may be held until needed to advance the Agency’s goals either within the SFHRB Resolution or elsewhere in the Agency.

The pledge made in the Resolution and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Agency shall be for the equal benefit, protection and security of the Holders of any and all of said Bonds, all of which, regardless of the time or times of their issuance or maturity, shall be of equal rank

without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in or permitted by the Resolution.

Section 203. Authorization of Bonds. (A) For the purposes provided herein, Bonds of the Agency, each to be entitled “Single Family Housing Revenue Bond”, are hereby authorized to be issued from time to time and in one or more Series, without limitation as to amount except as provided in the Resolution or as may be limited by law. (C) Bonds of each Series shall be dated as provided in the Supplemental Resolution authorizing the Bonds of such Series. Unless otherwise provided in the applicable Supplemental Resolution, the Bonds of each Series shall accrue interest from their date.

Section 302. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Resolution as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Agency prior to the authentication and delivery thereof.

Section 303. Execution and Authentication. (A) Except as otherwise provided herein, the Bonds shall be executed in the name of the Agency by the manual or facsimile signature of an Authorized Officer and its corporate seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced, and attested by the manual or facsimile signature of an Authorized Officer. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually authenticated and delivered by the Authenticating Agent therefor, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond of a Series may be signed and sealed on behalf of the Agency by such persons as at the actual time of execution of such Bond shall be duly authorized or hold the proper office in the Agency, although at the date of the Bonds of such Series such persons may not have been so authorized or have held such office.

(B) The Bonds of each Series shall bear thereon a certificate of authentication, in substantially the following form, executed manually by the Authenticating Agent for such Series as specified in the applicable Supplemental Resolution. Only such Bonds as bear such certificate of authentication shall be entitled to any right or benefit under the Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Authenticating Agent. Such certificate of the Authenticating Agent upon any Bond shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under the Resolution and that the holder thereof is entitled to the benefits of the Resolution:

Section 304. Interchangeability of Bonds. Unless otherwise provided in the applicable Supplemental Resolution, Bonds, upon surrender thereof at the Principal Office of the Trustee or Authenticating Agent for such Series, or, when authorized by the applicable Supplemental Resolution, any Paying Agent or other tender agent specified therein, with a written instrument of transfer satisfactory to the Trustee or such Authenticating Agent, Paying Agent or tender agent, duly executed by the Holder or his duly authorized attorney, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of Bonds of the same Series, maturity and tenor of any other authorized denomination.

Section 305. Negotiability, Transfer and Registry. (A) All the Bonds issued under the Resolution shall be negotiable, subject to the provisions for registration and transfer contained in the Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Agency shall maintain and keep, at the Principal Office of the Trustee, who is hereby appointed registrar for the Bonds, books for the registration and transfer of Bonds; and upon presentation thereof for such purpose at said office, the Agency shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Trustee may prescribe, any Bond entitled to registration or transfer. In the applicable Supplemental Resolution the Agency may appoint one or more of the Paying Agents for a Series of Bonds as co-registrar for such Series under such terms and conditions as may be provided therein and in the applicable Supplemental Resolution.

(B) Each Bond shall be transferable only upon the books of the Agency in the manner provided in the form of such Bonds. As to any Bond, the person in whose name the same shall be registered upon the books of the Agency may be deemed and regarded as the absolute owner thereof, whether such Bond shall be overdue or not, for all purposes; and payment of, or on account of, the Principal Amount or Redemption Price of, and interest on, such Bond, shall be made only to, or upon the order of, such registered owner. The Agency and each Fiduciary may treat the registered owner of any Bond as the absolute owner of such Bond whether such Bond shall be overdue or not, for the purpose of receiving payment of the Principal Amount or Redemption Price of and interest on, such Bond, and for all other purposes whatsoever, and neither the Agency nor any Fiduciary shall be affected by any notice to the contrary. The Agency agrees to indemnify and save each Fiduciary harmless from and against any and all loss, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

(C) All Bonds surrendered in any exchange or transfer of Bonds shall forthwith be cancelled by the Authenticating Agent. For every such exchange or transfer of Bonds, whether temporary or definitive, the Agency, the Trustee or the Authenticating Agent may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer and may additionally charge the Holder requesting such exchange or transfer such fee, if any, as may be specified in the applicable Supplemental Resolution. The Agency shall not be obligated to make any exchange or transfer of Bonds during the 10 days next preceding an Interest Payment Date of the Bonds of such Series or, in the case of any proposed redemption of Bonds of such Series, during the 10 days next preceding the date of the mailing of notice of such redemption and shall not be obligated to make any exchange or transfer of Bonds called for redemption except as provided in Section 406.

Section 306. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Agency shall execute, and the Authenticating Agent for such Series shall authenticate and deliver, a new Bond of like Series, maturity, tenor and Principal Amount as the Bond so mutilated), destroyed, stolen or lost, in exchange and substitution for such mutilated Bond (upon surrender and cancellation of such mutilated Bond) or in lieu of and substitution for the Bond destroyed, stolen or lost (upon filing with the Authenticating Agent evidence satisfactory to the Agency and the Authenticating Agent that such Bond has been destroyed, stolen or lost and proof of ownership thereof) and upon furnishing the Agency, the Trustee and the Authenticating Agent with indemnity satisfactory to them and complying with such other reasonable regulations as the Agency, the Trustee or the Authenticating Agent may prescribe and paying such expenses as the Agency, the Trustee and the Authenticating Agent may incur including the expenses, if any, of printing and delivering such new Bond. All Bonds so surrendered to the Authenticating Agent shall be cancelled by it. The Authenticating Agent shall advise the Trustee and the applicable Paying Agents of the issuance of substitute Bonds.

Section 307. Preparation of Definitive Bonds; Interim Receipts and Temporary Bonds. Subject to the applicable Supplemental Resolution, until the definitive Bonds of any Series are prepared, the Agency may execute and upon the request of the Agency, the Authenticating Agent for such Series shall authenticate and deliver, in lieu of definitive Bonds, one or more interim receipts, or one or more temporary Bonds, substantially of the tenor of such definitive Bonds and with such omissions, insertions and variations as may be appropriate for temporary Bonds. The Agency at its own expense shall prepare and execute and, upon the surrender at the Principal Office of the Authenticating Agent of such interim receipts and of such temporary Bonds for exchange and cancellation, the Authenticating Agent subject to the applicable Supplemental Resolution, shall authenticate and, without charge to the Holder thereof, deliver in exchange therefor, definitive Bonds of the same aggregate Principal Amount and Series, maturity and tenor as the interim receipts or temporary Bonds surrendered. Until so exchanged, the interim receipts and temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to the Resolution. All interim receipts and all temporary Bonds surrendered in exchange for a definitive Bond or Bond shall be forthwith cancelled by the Authenticating Agent.

Section 308. Cancellation of Bonds. All Bonds redeemed or paid by the Agency or any Fiduciary, or received by any Fiduciary on any transfer or exchange of Bonds, shall be cancelled by it and delivered to the Trustee. Except as otherwise provided in the applicable Supplemental Resolution, all Bonds purchased by any Fiduciary shall be cancelled by it and delivered to the Trustee. No such Bonds shall be deemed Outstanding under the Resolution and no Bonds shall be issued in lieu thereof. All such Bonds and all other Bonds cancelled by any Fiduciary pursuant to the Resolution shall upon order of the Agency be destroyed by the Fiduciary and a certificate thereof delivered to the Agency and the Trustee.

ARTICLE IV

REDEMPTION OF BONDS

Section 401. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to a Supplemental Resolution shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms (in addition to and consistent with the terms contained in this Article IV) as may be specified in the Supplemental Resolution authorizing such Series.

Section 402. Redemption at the Election of the Agency. In the case of any redemption of Bonds otherwise than as provided in Section 403, the Agency shall, subject to Section 509, give written notice to the Trustee of its election so to redeem, of the redemption date, of the Series and of the Principal Amounts of the Bonds of each maturity and of similar tenor of such Series to be redeemed (which Series, maturities and amounts shall be determined by the Agency in its sole discretion subject to any limitations with respect thereto contained in Section 509 and any Supplemental Resolution). Such notice shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Trustee or as may otherwise be provided in the applicable Supplemental Resolution. In the event prior notice of redemption shall have been given as in Section 405 provided, the Trustee shall, on or before the redemption date, pay out of the moneys available therefor to the appropriate Paying Agent or Agents an amount which, in addition to other moneys, if any, available therefor held by such Paying Agent or Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, all of the Bonds to be redeemed.

Section 403. Redemption Otherwise Than at Agency's Election. Whenever by the terms of the Resolution and the applicable Supplemental Resolution Bonds of a Series are required to be redeemed otherwise than at the election of the Agency, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out of the moneys available therefor the Redemption Price to the appropriate Paying Agents in accordance with the terms of this Article IV, the applicable Supplemental Resolution and, to the extent applicable, Section 507.

Section 404. Selection of Bonds to be Redeemed. In the event of redemption of less than all Bonds of like Series, maturity and tenor, the Trustee, unless otherwise directed in the applicable Supplemental Resolution, shall select by lot, using such method of selection as it shall deem proper in its discretion, from all Bonds of such Series, maturity and tenor Outstanding, the Bonds or portions thereof to be redeemed. For the purposes of this Section, Bonds which have theretofore been selected for redemption shall not be deemed Outstanding.

Section 405. Notice of Redemption. When the Trustee shall receive notice from the Agency of its election to redeem Bonds pursuant to Section 402, and when redemption of Bonds is required by the Resolution and the applicable Supplemental Resolution pursuant to Section 403, the Trustee shall give notice, in the name of the Agency, of the redemption of such Bonds, which shall specify the Series and maturities of the Bonds to be redeemed (and if any of such Bonds of any such maturity are of different tenor, specifying the Bonds of similar tenor to be redeemed), the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any like Series, maturity and

tenor are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed, and the respective portions of the Principal Amount thereof to be redeemed. Such notice shall be given at the times and in the manner provided in the applicable Supplemental Resolution.

Section 406. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 405, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Bond, the Agency shall execute and the Authenticating Agent for such Series shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the Principal Amount of the Bond so surrendered, subject to the applicable Supplemental Resolution, Bonds of like Series, maturity and tenor in any of the authorized denominations. If, on the redemption date, amounts for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the applicable Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest or the portion of the Principal Amount applicable to interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable. If said amounts shall not be available on the redemption date, such Bonds or portions thereof shall continue to accrue interest or the portion of the Principal Amount thereof applicable to interest until paid at the same rate or yield, as applicable, and in the same manner as they would have borne had they not been called for redemption.

ARTICLE V

The rights, Revenues, Loans, Reserve Deposits, contracts, other property and proceeds so pledged shall immediately be subject to the lien of such pledge without any physical delivery or segregation thereof or further act and the lien of such pledge shall be valid and binding against any and all parties having a claim of any kind, in tort, contract or otherwise, against the Agency, irrespective of whether such parties have notice thereof. *[Amended by*

Section 503. Application of Bond Proceeds and Other Moneys. The proceeds of sale of the Bonds of each Series, including accrued interest thereon, and any other moneys, Reserve Deposits and Additional Security, if any, including Commitment Fees, delivered to the Trustee upon delivery of such Bonds as specified in the applicable Supplemental Resolution, shall, on such date of delivery of such Bonds, be applied as provided in the applicable Supplemental Resolution.

Section 504. Application of Purchase Accounts and Capitalized Interest Accounts. (A) Upon the issuance, sale and delivery of any Series of Bonds (other than an issue of refunding Bonds for which such an Account is not to be funded pursuant to the applicable Supplemental Resolution), the Trustee shall establish a separate Purchase Account within the Program Fund for such Series. Each such Account shall be designated “_____ Purchase Account” (inserting the Series designation).

(B) A Purchase Account shall be used for the purchase of Loans including any accrued interest thereon payable upon such purchase (if not paid from the Revenue Fund as hereinafter provided) and any origination fees payable to Mortgage Lenders. Loans may be purchased in part from moneys in one Purchase Account and in part from moneys in another Purchase Account. The Trustee, upon the written request of the Agency signed by an Authorized Officer, shall pay from a designated Purchase Account to the designated Mortgage Lender or Lenders or other party specified therein the amounts stated in such written request for or upon the purchase of the Loans specified in such request. Such written request shall certify that (i) the amount of payments requested thereby are not in excess of the purchase price (including accrued interest) of the Loans to be purchased, (ii) that the Loans comply with the provisions of the Resolution and the applicable Supplemental Resolution and the Act, and (iii) if such written request pertains to the purchase of any Whole Mortgage Loans, that following such purchase the amount on deposit in the Loan Reserve Fund, taking into account any Reserve Deposits then or theretofore delivered to the Trustee for the credit of the Loan Reserve Fund and any Portfolio Credit Facility applicable to such Whole Mortgage Loans, shall be an amount at least equal to the Loan Reserve Fund Requirement as then calculated. Prior to any disbursement to a Mortgage Lender or others of the amounts specified in a written request of the Agency, the Agency shall deliver, or cause to be delivered, to the Trustee the original executed note evidencing the Loan to be so purchased, or, as applicable, the Mortgage-Backed Security so purchased, endorsed to the Agency. Accrued interest payable upon purchase of any Loan shall be paid from the Revenue Fund or, if the amount therein is insufficient, from the applicable Purchase Account subject to reimbursement as provided in Section 506(C)(3) hereof. *[Amended by Section 103 of the One Hundred and Fourth Supplemental Single Family Housing Revenue Bond Resolution adopted June 9, 2009 and Section 102 of the One Hundred and Ninth Supplemental Single Family Housing Revenue Bond Resolution adopted May 10, 2011.]*

(C) All moneys transferred to a Purchase Account pursuant to Section 506(C)(6) hereof shall be applied to the purchase of Loans in the manner provided in Paragraph (B) of this Section 504. No such moneys shall be applied to the purchase of Loans unless the request of the Agency required by Paragraph (B) of this Section 504 is accompanied or preceded by (i) a Counsel’s Opinion to the effect that such purchase shall not adversely affect the federal income tax exemption of interest on any Outstanding Bonds; (ii) a certificate of an Authorized Officer to the effect that the Agency has not been notified by any Nationally Recognized Credit Rating

Agency then maintaining a credit rating on any Outstanding Bonds (nor does the Agency have any other knowledge to such effect) that such purchase will cause such Nationally Recognized Credit Rating Agency to lower, suspend, remove or otherwise modify adversely the credit ratings then assigned by it to any Bonds Outstanding; and (iii) either (x) a certificate of an Authorized Officer to the effect that the Loan to be purchased will have a term no greater than the unexpired term of the Loan from which such Loan Prepayments were derived (had such Loan not been prepaid) and will bear a rate of interest no lower than the rate of interest on the Loan which was prepaid or (y) a Projection of Revenues demonstrating that following such purchase anticipated Revenues, together with any other moneys available for the purpose, will be sufficient to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due and all Program Expenses. Any moneys transferred to a Purchase Account pursuant to Section 506(C)(6) which have not been applied to the purchase Loans within six months of the date of transfer shall be transferred by the Trustee, as directed by an Authorized Officer, to either the Revenue Fund or the applicable Special Redemption Account in the Redemption Fund, or in part one or the other, or, in the absence of any such direction, to the applicable Special Redemption Account, provided that the Agency may direct the Trustee by certificate of an Authorized Officer to retain all or a portion of such moneys in the Purchase Account for a period not in excess of an additional six months if such direction is accompanied by a Projection of Revenues showing that such retention will not materially adversely affect the ability of the Agency to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due and all Program Expenses. *[Amended by Section 311(B) of the Seventy-Seventh Supplemental Single Family Housing Revenue Bond Resolution adopted June 12, 2001.]*

[Note: The following paragraphs are contained in Section 312 of the Eightieth Supplemental Single Family Housing Revenue Bond Resolution adopted March 12, 2002.]

Section 312. Recycling Purchase Accounts. (A) Notwithstanding anything in the Resolution or any Supplemental Resolution to the contrary, the Agency may at any time and from time to time direct the Trustee to establish in accordance with Section 502 of the Resolution one or more separate Purchase Accounts within the Program Fund, each designated a "Recycling Purchase Account" (together with such alternate or additional designation as shall be directed by the Agency). If the Agency shall direct the Trustee to establish a Recycling Purchase Account as aforesaid, it may further direct the Trustee pursuant to this Section 312 and Section 506(C)(6) of the Resolution, as applicable, to transfer to such Recycling Purchase Account any amounts then or thereafter held in the Revenue Fund or in any other Purchase Account heretofore or hereafter established under the Resolution which are attributable to Loan Prepayments and other Revenues that are allocable to Bonds which are no longer Outstanding under the Resolution (as set forth in a certificate of an Authorized Officer upon which the Trustee may conclusively rely).

(B) Moneys deposited in a Recycling Purchase Account shall be applied to the purchase of Loans or portions thereof as provided in Section 504(C) of the Resolution. Any moneys transferred to a Recycling Purchase Account pursuant to this Section 312 which have not been applied to the purchase of Loans within six months of the date of transfer shall be transferred by the Trustee to the Revenue Fund, provided that the Agency may direct the Trustee to retain all or any portion of such moneys in a Recycling Purchase Account for such longer period as shall be designated in a certificate of an Authorized Officer accompanied by a

Projection of Revenues showing that retention of such moneys for such longer period will not materially adversely affect the ability of the Agency to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due and all Program Expenses.

(D) At least monthly (or more frequently as requested by the Agency) the Trustee shall furnish the Agency with a written statement as to the amount remaining in each Purchase Account and a schedule of investments in each such Account. The Trustee shall retain copies of all written requests of the Agency delivered pursuant to Section 504(B) hereof and of all such statements while the Bonds applicable to such Purchase Account remain Outstanding.

(E) Unless otherwise provided in the applicable Supplemental Resolution, interest or other income derived from the investment or deposit of moneys in the Purchase Accounts shall be transferred to the Revenue Fund upon receipt thereof by the Trustee.

(F) When all Loans to be purchased from a particular Purchase Account have been so purchased, as evidenced by a certificate of an Authorized Officer, or when otherwise directed herein or by the applicable Supplemental Resolution, any amount remaining unexpended in the Purchase Account shall be transferred by the Trustee to the appropriate Special Redemption Account in the Redemption Fund. Notwithstanding anything in this Section 504 to the contrary, if at any time the Agency shall have deposited in a Purchase Account moneys of the Agency derived other than from the proceeds of Bonds or as provided in Section 506(C) (6) hereof, such moneys shall be deemed to be the last moneys expended from such Purchase Account. Any moneys remaining in the Purchase Account upon completion of purchase of Loans from such Account may, notwithstanding the foregoing provisions of this paragraph (F), be transferred by the Trustee to the Revenue Fund upon written direction of an Authorized Officer if such certificate is accompanied by an Opinion of Counsel to the effect that such transfer will not adversely affect the federal income tax exemption of interest on any Bonds Outstanding.

(G) Notwithstanding anything in this Section to the contrary, the Trustee shall transfer from any Purchase Account to the Debt Service Fund any amounts necessary for the payment, when due, of Principal Installment of and interest on the Bonds, to the extent that at any time no moneys are available therefor in any other Funds and Accounts established hereunder. Any such transfer shall be made from such Purchase Account or Accounts and from such moneys in such Accounts as an Authorized Officer shall direct or, in the absence of any such direction, as the Trustee shall determine in its discretion.

(H) Upon the issuance, sale and deliver of any Series of Bonds, the Supplemental Resolution authorizing such Series of Bonds may but is not required to establish in the Program Fund a separate account designated “_____ Capitalized Interest Account” (inserting the Series designation). Moneys in a Capitalized Interest Account shall be used, to the extent available, for the purpose of paying interest on the Series of Bonds in respect of which such Capitalized Interest Account was established. The Trustee shall transfer amounts from the Capitalized Interest Accounts to the Debt Service Fund in accordance with the schedule provided in the certificate of an Authorized Officer referred to in Section 204(B)(3), provided that, if at any time the amount on deposit and available therefor in the Debt Service Fund and the Revenue Fund is insufficient to provide for the payment of Principal Installments of or interest on the

Bonds then due the Trustee shall, notwithstanding such schedule, transfer from the Capitalized Interest Accounts and pay into the Debt Service Fund the amount of such deficiency. Any such transfer shall be made from such of the Capitalized Interest Accounts as the Agency may direct in a certificate of an Authorized Officer or, if no such certificate is delivered to the Trustee, from such Account or Accounts as the Trustee may determine in its discretion. *[Amended by Section 312 of the Eighty-First Supplemental Single Family Housing Revenue Bond Resolution adopted July 9, 2002.]*

Section 505. Application of Cost of Issuance Fund. (A) Upon the issuance and delivery of any Series of Bonds, any portion of the proceeds thereof to be applied to Costs of Issuance (as evidenced by the Supplemental Resolution authorizing such Series of Bonds or a certificate of an Authorized Officer delivered to the Trustee at or prior to the authentication and delivery of such Series of Bonds) shall be deposited by the Trustee in the Proceeds Account in the Cost of Issuance Fund and any amount provided by the Agency from any other moneys of the Agency available therefor for Costs of Issuance or Costs of the Program (as evidenced by such Supplemental Resolution or certificate of an Authorized Officer) shall be deposited by the Trustee in the Contribution Account in the Cost of Issuance Fund.

(B) Amounts deposited in the Proceeds Account in the Cost of Issuance Fund shall be applied by the Trustee solely to pay Costs of Issuance upon receipt of a requisition signed by an Authorized Officer stating the amount and purpose of any such payment. Upon payment of all Costs of Issuance to be paid from the Proceeds Account, any amount remaining in the Proceeds Account shall be deposited in (i) one or more Purchase Accounts allocable to any Series of Bonds Outstanding or (ii) the Revenue Fund, upon receipt by the Trustee of a certificate of an Authorized Officer directing the transfer and stating that such moneys are no longer needed for the payment of Costs of Issuance and, in the case of a transfer to the Revenue Fund, an opinion of Bond Counsel to the effect that such transfer will not adversely affect the exclusion of interest from gross income for federal income tax purposes on any Bonds Outstanding.

(C) Amounts deposited in the Contribution Account in the Cost of Issuance Fund shall be applied by the Trustee solely to pay Costs of Issuance and Costs of the Program upon receipt of a requisition signed by an Authorized Officer stating the amount and purpose of any such payment. If at any time the Agency shall determine that all or any portion of the amount on deposit in the Contribution Account is no longer needed for the payment of Costs of Issuance or Costs of the Program, upon direction of an Authorized Officer such amount shall be paid by the Trustee to the Agency. *[Amended by Section 312 of the Eighty-First Supplemental Single Family Housing Revenue Bond Resolution adopted July 9, 2002.]*

Section 506. Revenues and Revenue Fund. (A) Except as provided in the following sentence or in any Supplemental Resolution authorizing Reserve Deposits or Additional Security, all Revenues shall promptly upon receipt by the Agency be deposited in the Revenue Fund. Revenues which have been received by persons collecting Revenues on behalf of the Agency but have not yet been paid over directly to the Agency by such persons shall not be required to be so deposited until so paid over; provided, however, that such Revenues shall be deemed to have been received by the Agency for purposes of Section 501 hereof.

(B) At any time and from time to time at the written request of an Authorized Officer, the Trustee shall apply any moneys in the Revenue Fund to the payment or reimbursement of Program Expenses (other than Issuer Fees) then due and payable. *[Amended by Section 103 of the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]*

(C) On or before each Interest Payment Date of the Outstanding Bonds, or on such other dates as may be directed herein or in any Supplemental Resolution, the Trustee shall apply the balance on deposit in the Revenue Fund as follows and in the following order of priority:

(1) To the Debt Service Fund, if and to the extent required so that the balance therein shall equal the sum of (a) all due and unpaid interest and all interest to become due on such Interest Payment Date on the Bonds Outstanding; and (b) all due and unpaid Principal Installments and all Principal Installments to become due on such Interest Payment Date on the Bonds Outstanding or, unless otherwise provided in the applicable Supplemental Resolution, if there is not any Principal Installment due and payable on such date with respect to any Bonds, one-half of the Principal Installment, if any, due and payable on the Bonds Outstanding on the next following Interest Payment Date;

(2) To the Debt Service Reserve Fund, if and to the extent required so that the amount therein shall equal the Funded Debt Service Reserve Fund Requirement (calculated as of such Interest Payment Date);

(3) To the Program Fund and the appropriate Purchase Account therein, an amount equal to all amounts withdrawn therefrom and applied to the payment of accrued interest on Loans when purchased, but only to the extent such withdrawn amounts have not been previously restored to the Program Fund;

(4) To the Loan Reserve Fund, if and to the extent required so that the amount therein shall equal the Funded Loan Reserve Fund Requirement;

(5) To the Rebate Fund and the appropriate Rebate Account therein, if and to the extent required so that the amount therein shall equal the Rebate Requirement;

(6) To one or more Purchase Accounts, as directed by an Authorized Officer, all or any portion of the remaining balance in the Revenue Fund allocable to such Accounts;

(7) To one or more Special Redemption Accounts in the Redemption Fund, as directed by an Authorized Officer, all or any portion of the remaining balance in the Revenue Fund allocable to such Accounts;

(8) To the Support Fund, as directed by an Authorized Officer, an amount equal to the Issuer Fees due with respect to Loans purchased by the Agency with amounts deposited in the applicable Purchase Account or Accounts, as provided in each applicable Supplemental Resolution; and *[Amended by Section 103 of the One Hundred*

and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]

(9) To the Agency, all or any portion of the remaining balance the Revenue Fund, but only upon receipt by the Trustee of a certificate of an Authorized Officer requesting such payment accompanied by a Projection of Revenues which shows (i) that such payment will not impair the ability of the Agency to pay in the current and each subsequent Fiscal Year (a) Aggregate Debt Service when due, (b) all Program Expenses and (c) required deposits, if any, into the Rebate Fund, Loan Reserve Fund and Debt Service Reserve Fund and (ii) that the date of such Projection of Revenues, the unpaid balance of all Loans then held under the Resolution plus the amount then held in all Funds and Accounts under the Resolution, other than amounts held in the Rebate Fund and the Support Fund and the amounts then to be paid to the Agency in accordance with this clause (9), are at least equal to the Principal Amount (calculated as of the date of such Projection of Revenues) of all Bonds then Outstanding plus all interest accrued and unpaid thereon as of such date. *[Amended by Section 103 of the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]*

(D) As long as no Event of Default shall have occurred and be continuing, the Trustee shall be entitled to rely on a certificate of an Authorized Officer as to the proper amounts to be deposited in the various Funds and Accounts as required by this Section. The Agency agrees to furnish the Trustee with such a certificate prior to each time the Trustee is required to allocate amounts from the Revenue Fund. Such certificate shall identify separately all amounts so to be allocated representing Loan Principal Payments, Loan Prepayments, interest on Loans and all other Revenues, setting forth the Series of Bonds to which such Revenues are attributable. The Trustee shall retain copies of such certificates while any of such Bonds remain Outstanding and shall also maintain appropriate records of the interest and other income earned on investment or deposit of all such amounts while held hereunder in any Fund or Account, identifying the Series of Bonds to which such interest and other income is attributable.

(E) Notwithstanding anything in this Section to the contrary, so long as there shall be held in the Debt Service Fund an amount sufficient to fully pay all Outstanding Bonds in accordance with their terms (including Principal Amount or Redemption Price and interest) no deposits shall be required to be made into the Debt Service Fund.

Section 507. Application of Debt Service Fund. (A) Except as otherwise provided in any Supplemental Resolution applicable to a Series of Bonds, the Trustee shall pay out of the Debt Service Fund to the respective Paying Agents (1) on or before each Interest Payment Date of any Bonds the amount required for the interest and Principal Installments payable on such date, and (2) on or before each redemption date for the Bonds, other than redemption date on account of Sinking Fund Installments, the amount required for the payment of interest on the Bonds then to be redeemed. The Paying Agent shall apply such amounts to the payment of interest and Principal Amount on and after the due dates thereof. If on any Interest Payment Date of the Bonds the amount accumulated in the Debt Service Fund for either of the purposes specified above exceeds the amount required therefor, the Agency, by written certificate of an Authorized Officer, may direct the Trustee to deposit such excess in the Revenue Fund. The Trustee shall

also pay out of the Debt Service Fund accrued interest included in the purchase price of Bonds purchased for retirement under any provision of the Resolution.

(B) Except as otherwise provided in the applicable Supplemental Resolution, amounts in the Debt Service Fund with respect to any Sinking Fund Installment (together with amounts therein with respect to interest of the Bonds for which such Sinking Fund Installment was established) may, and if so directed by the Agency, shall be applied by the Trustee prior to the 45th day preceding the due date of such Sinking Fund Installment to (1) the purchase of Bonds of the Series, maturity and tenor for which such Sinking Fund Installment was established, at prices not exceeding the applicable sinking fund Redemption Price plus interest on such Bonds to the first day on which such Bonds could be redeemed (or in the case of a Sinking Fund Installment due on the maturity date, the Principal Amount thereof plus interest to such date), such purchases to be made in such manner as the Trustee shall determine, or (2) the redemption, pursuant to Section 402, of such Bonds then redeemable by their terms. The applicable Redemption Price or Principal Amount (in the case of maturing Bonds) of any Bonds so purchased or redeemed shall be deemed to constitute part of the Debt Service Fund until such Sinking Fund Installment due date for the purpose of calculating the amount of such Fund. As soon as practicable after the 45th day preceding the due date of any such Sinking Fund Installment, the Trustee shall proceed (by giving notice as provided in Section 405) to call for redemption on such due date Bonds of the Series, maturity and tenor for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment due date) in such amount as shall be necessary to complete the retirement of the Principal Amount of the Bonds of such Series, maturity and tenor as specified for such Sinking Fund Installment in the Supplemental Resolution establishing the same, and whether or not the balance in the Debt Service Fund is sufficient to pay all such Bonds. The Trustee shall pay out of the Debt Service Fund to the appropriate Paying Agents, on or before such redemption date or maturity date, the amount required for the redemption of the Bonds so called for redemption or for the payment of such Bonds then maturing and such amount shall be applied by such Paying Agents to such redemption or payment.

(C) In satisfaction, in whole or in part, of any amount required to be paid into the Debt Service Fund which is attributable to a Sinking Fund Installment, there may be delivered on behalf of the Agency to the Trustee Bonds of the Series, maturity and tenor entitled to such payment. All Bonds so delivered to the Trustee in satisfaction of a Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate of the sinking fund Redemption Prices of such Bonds.

(D) Notwithstanding anything to the contrary contained in this Section, the Trustee shall not purchase or accept Bonds in lieu of any Sinking Fund Installment following the giving of notice of redemption of the Bonds on account of which such Sinking Fund Installment was established.

(E) In connection with any Additional Security provided for a Series of Bonds, the Agency may provide for the deposit directly in the Debt Service Fund of payments provided by such Additional Security, for the segregation of such payments for application to the payment of Principal Installments and interest on the Series of Bonds secured thereby and for the use of such payments for such Principal Installments and interest prior to any other moneys

available therefor in the Debt Service Fund or in such other priority or manner as may be provided in the applicable Supplemental Resolution and for the application of amounts otherwise on deposit or to be deposited in the Debt Service Fund to the satisfaction of Reimbursement Obligations on such Additional Security.

(F) Except as provided in any Supplemental Resolution, all interest earned or other income derived from the investment or deposit of moneys in the Debt Service Fund shall be transferred by the Trustee to the Revenue Fund upon receipt thereof.

Section 508. Application of Debt Service Reserve Fund. (A) If at any time the amount on deposit and available therefor in the Capitalized Interest Accounts, the Debt Service Fund, the Revenue Fund, the Loan Reserve Fund and the Redemption Fund (other than amounts held therein for the redemption of Bonds for which the required notice of redemption shall have been given) is insufficient to pay the Principal Installments and interest on the Bonds of any Series then due, the Trustee shall withdraw from the Debt Service Reserve Fund and deposit in the Debt Service Fund the amount necessary to meet the deficiency. Unless otherwise provided by a Supplemental Resolution, amounts so withdrawn from the Debt Service Reserve Fund shall be derived, first, from cash and Investment Obligations on deposit therein and, second, from draws or demands on Reserve Deposits, if any, held as a part thereof upon the terms and conditions provided in such Reserve Deposits and in the Supplemental Resolution establishing such Reserve Deposits.

(B) If on the last business day preceding any Interest Payment Date for the Bonds, the amount on deposit in the Debt Service Reserve Fund is in excess of the Funded Debt Service Reserve Fund Requirement (calculated as of such Interest Payment Date) the Trustee shall, upon written direction of an Authorized Officer, withdraw such excess and deposit it in the Revenue Fund.

(C) Whenever the Trustee shall determine that the amount of cash and Investment Obligations on deposit in the Debt Service Reserve Fund together with all other funds available for the purpose is equal to or in excess of the Redemption Price of all Bonds Outstanding, together with the interest accrued and to accrue thereon to the next applicable optional redemption date, the Trustee, upon receipt of a certificate of an Authorized Officer authorizing the same, shall transfer the balance of such cash and Investment Obligations from the Debt Service Reserve Fund to the Optional Redemption Account in connection with the redemption of all Bonds Outstanding.

Section 509. Application of Redemption Fund. (A) Upon the issuance and delivery of any Series of Bonds subject, as provided in the applicable Supplemental Resolution, to Special Redemption or Optional Redemption, the Trustee shall establish a separate Special Redemption Account and a separate Optional Redemption Account, as appropriate, for such Series. Each such account shall be designated “_____ (Special (Optional) Redemption Account)” (as appropriate and inserting the Series designation).

(B) If at any time the amount on deposit and available therefor in the Capitalized Interest Accounts, the Debt Service Fund, the Revenue Fund and the Loan Reserve Fund is insufficient to pay the Principal Installments and interest on the Bonds then due, the

Trustee shall withdraw and deposit in the Debt Service Fund the amount necessary to meet the deficiency first from the appropriate Optional Redemption Account and second from the appropriate Special Redemption Account (other than moneys in either of such Accounts held therein for the payment of the Redemption Price of and interest on Bonds for which the required notice of redemption shall have already been given).

(C) Except as provided in this Section 509 or in any Supplemental Resolution, all moneys transferred to a Special Redemption Account shall be applied to the purchase or redemption of the Bonds with respect to which such Account was established as provided in this Section. Notwithstanding the foregoing, all or any part of the moneys in a Special Redemption Account may be applied, if directed by the certificate of an Authorized Officer filed in accordance with Paragraph (F) of this Section 509, to the redemption of Bonds of any Series upon compliance with Paragraphs (F) and (G) of this Section 509 and upon receipt by the Trustee of a Counsel's Opinion to the effect that such application shall not adversely affect the federal income tax exemption of interest on any Bonds Outstanding. The Redemption Price of Bonds subject to redemption by operation of a Special Redemption Account shall be the price set forth in the applicable Supplemental Resolution. The Trustee shall transfer to the Special Redemption Account from the Revenue Fund, the amount, if any, necessary to pay the premium on the Bonds to be purchased or redeemed pursuant to this paragraph at the time of such purchase or redemption. *[Amended by Section 102 of the One Hundred and Ninth Supplemental Single Family Housing Revenue Bond Resolution adopted May 10, 2011.]*

(D) All moneys transferred to the Redemption Fund not required to be deposited in a Special Redemption Account shall be deposited in such Optional Redemption Account or Accounts as may be directed by an Authorized Officer and, except as provided in paragraph (B) of this Section 509, shall be applied to the purchase or redemption of the Bonds with respect to which such Account was established, including the payment of any premium payable upon redemption thereof, as provided in this Section. The Redemption Price of Bonds of each Series subject to redemption by operation of an Optional Redemption Account shall be the price set forth in the applicable Supplemental Resolution.

(E) Upon receipt of the certificate of an Authorized Officer referred to in Paragraph (F), the Trustee may, and if so directed by the Agency, shall apply moneys in an Account in the Redemption Fund to the purchase of Bonds designated in such certificate at the most advantageous price obtainable with due diligence, such price not to exceed the Redemption Price of such Bonds applicable on the next ensuing redemption date for such Bonds. Bonds not so purchased may, and if directed by the Agency or required by any Supplemental Resolution, shall be redeemed at a Redemption Price determined by the applicable Supplemental Resolution at the time and in the manner provided in Article IV. Bonds shall not be purchased pursuant to this paragraph following the giving of notice of redemption of the Bonds to be redeemed from moneys in the applicable Account.

(F) Any Bonds to be purchased or redeemed by the Trustee from moneys in any Account in the Redemption Fund shall be purchased or redeemed by the Trustee only upon receipt by the Trustee of a certificate of an Authorized Officer determining or certifying the following:

- (1) The Bonds of the Series to be purchased or redeemed;
- (2) The maturities within such Series from which Bonds of similar tenor are to be purchased or redeemed;
- (3) The principal amount of Bonds of similar tenor within such maturities to be purchased or redeemed; and
- (4) If any of the Bonds to be purchased or redeemed as designated in clauses (1) through (3) hereinabove are Bonds of which Sinking Fund Installments have been established, the years in which Sinking Fund Installments are to be reduced and the amount by which the Sinking Fund Installments so determined are to be reduced, provided that the aggregate of such reductions in Sinking Fund Installments shall equal the aggregate Principal Amount of the Bonds to be purchased or redeemed.

(G) Except as hereinafter provided in this Section 509, prior to any purchase or redemption of Bonds in accordance with this Section 509, the Agency shall, in addition to the requirements of Paragraph (F) of this Section, file with the Trustee a certificate of an Authorized Officer setting forth a Projection of Revenues, together with a schedule of Principal Installments of and interest on all Bonds which will be Outstanding after giving effect to such purchase or redemption as determined pursuant to Paragraph (F) of this Section, showing that anticipated Revenues, together with any other moneys available for the purpose remaining after such purchase or redemption, will be sufficient to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due and all Program Expenses or, if not, that in the judgment of the Agency such purchase or redemption will produce the greatest estimated availability of Revenues in relation to the amount of such Aggregate Debt Service and Program Expenses in each Fiscal Year. Notwithstanding the foregoing, no Projection of Revenues shall be required for the application of any amounts in a Special Redemption Account to the redemption of Bonds of the Series to which such Account is applicable if such amounts shall be applied to the redemption of Bonds of each maturity and of similar tenor of such Series Outstanding in the same proportion as the Bonds of such maturity and similar tenor Outstanding bear to the Bonds of all maturities and of similar tenor of such Series Outstanding.

(H) Except as otherwise provided in any Supplemental Resolution, interest or other income derived from the investment or deposit of moneys in the Redemption Fund shall be transferred by the Trustee to the Revenue Fund upon receipt.

Section 510. Rebate Fund. Upon the issuance, sale and delivery of any Series of Bonds, the Supplemental Resolution authorizing such Series of Bonds may but is not required to establish in the Rebate Fund a separate account designated “_____ Rebate Account” (inserting the Series designation). Amounts on deposit in the Rebate Account, if any, established for a particular Series of Bonds shall be applied as provided in the Supplemental Resolution providing for the issuance of such Series of Bonds.

Section 511. Application of Loan Reserve Fund. (A) The Trustee shall deposit in or hold for the credit of the Loan Reserve Fund (i) the amounts, if any, provided in any Supplemental Resolution and any Reserve Deposit delivered to the Trustee in exchange for all or

any portion of such amount, (ii) as provided in Paragraph (B) of this Section 511, all Loan Reserve Fund Premiums, and (iii) any other amounts provided by the Agency (not required by the Resolution to be otherwise deposited), as determined and instructed by the Agency. Notwithstanding Section 514 of the Resolution, one half (1/2) of the moneys on deposit in the Loan Reserve Fund shall be invested by the Trustee at the direction of an Authorized Officer in Investment Obligations maturing or redeemable at the option of the holder within six (6) months of the date of such investment and the remainder of such moneys shall be so invested in Investment Obligations maturing or redeemable at the option of the holder within one (1) year or less.

(B) All Loan Reserve Fund Premiums shall be deposited in the Revenue Fund as provided in Section 506(A) of the Resolution and shall be transferred from the Revenue Fund to the Loan Reserve Fund on or before the dates provided in Section 506(C) of the Resolution prior to any other payment from the Revenue Fund provided in said Section 506(C) on such dates.

(C) If at any time the amount on deposit and available therefor in the Revenue Fund, Capitalized Interest Accounts and Debt Service Fund is insufficient to pay the Principal Installments and interest on the Bonds then due, the Trustee shall withdraw from the Loan Reserve Fund and deposit in the Debt Service Fund the amount necessary to meet the deficiency.

(D) Subject to Paragraph (C) of this Section 511, upon receipt by the Trustee of a certificate of an Authorized Officer (i) to the effect that a Loan Loss has been realized on a Whole Mortgage Loan held for the account of the Bonds and (ii) specifying the amount of such Loan Loss, the Trustee shall withdraw from the Loan Reserve Fund and deposit in the Revenue Fund the amount of such Loan Loss as so specified, or such lesser amount as directed in such certificate. Loan Reserve Fund Withdrawals from the Loan Reserve Fund shall be made by the Trustee, first, from cash and Investment Obligations on deposit in the Loan Reserve Fund and second, from draws or demands on Reserve Deposits, if any, held as a part thereof upon the terms and conditions provided in such Reserve Deposits and in the Supplemental Resolution providing for such Reserve Deposits.

(E) Subject to the provisions of any Supplemental Resolution providing for the deposit of a Reserve Deposit in the Loan Reserve Fund, if on the last business day preceding any Interest Payment Date for the Bonds the amount on deposit in the Loan Reserve Fund is in excess of the Funded Loan Reserve Fund Requirement (calculated as of such Interest Payment Date) the Trustee shall, upon written direction of an Authorized Officer, which shall identify the amount of such excess, withdraw such excess, or such portion thereof as shall be set forth in such written direction, and deposit it in the Revenue Fund.

[Amended by Section 102 of the One Hundred and Ninth Supplemental Single Family Housing Revenue Bond Resolution adopted May 10, 2011.]

Section 512. Application of Support Fund. (A) The Trustee shall deposit in the Support Fund (i) all Issuer Fees due with respect to Loans purchased by the Agency with amounts deposited in the Purchase Accounts, as provided in Section 506(C) of the Resolution and each applicable Supplemental Resolution, and (ii) any other amounts provided by the Agency (not

required by the Resolution to be otherwise deposited), as determined and instructed by the Agency. Monies and other assets at any time held for the credit of the Support Fund shall be transferred, at the written direction of the Agency, in any manner the Agency may direct, including without limitation to any fund or account outside the Funds and Accounts pledged under this Resolution; provided that at the time of such transfer the Debt Service Reserve Fund is funded at least in an amount equal to the Debt Service Reserve Fund Requirement.

(B) Investment earnings on the Support Fund shall be deposited upon receipt to the credit of such Fund, unless the Agency shall direct that such earnings be deposited to the Revenue Fund. In the event that there shall be, on any Interest Payment Date, a deficiency in the Debt Service Fund, the Trustee shall, to the extent monies in the Redemption Fund are insufficient, make up such deficiencies from amounts on deposit in the Support Fund, by the withdrawal of monies therefrom and the sale or other disposition of securities held therein.

[Amended by Section 103 of the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]

Section 513. Moneys of the Agency. All amounts paid to the Agency pursuant to Clause 8 of Section 506(C) hereof shall be free and clear of any lien or pledge created by the Resolution and may be used for any lawful purpose of the Agency, including, without limiting the generality of the foregoing, payment of Costs of the Program and deposits to the Revenue Fund, the Debt Service Fund, the Debt Service Reserve Fund, the Redemption Fund (other than a Special Redemption Account), the Loan Reserve Fund, any Purchase Account, the Rebate Fund or the Support Fund. *[Amended by Section 103 of the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]*

Section 514. Investments and Deposits. (A) Except as otherwise provided in Section 1101, moneys held for the credit of any Fund or Account under the Resolution shall, to the fullest extent practicable, be invested, either alone or jointly with moneys in any other Fund or Account, by the Trustee at the direction of an Authorized Officer in Investment Obligations which shall mature or be redeemable at the option of the holder thereof on such dates and in such amounts as may be necessary to provide moneys to meet the payments from such Funds and Accounts; provided that if moneys in two or more Funds or Accounts are commingled for purposes of investment, the Trustee shall, in addition to the requirements of Section 506(D) hereof, maintain appropriate records of the Investment Obligations or portions thereof held for the credit of each such Fund or Account. If the Agency shall fail to provide the Trustee with directions of an Authorized Officer for the investment of any moneys held in any Fund or Account hereunder, the Trustee shall invest such moneys in such Investment Obligations as it shall determine in its discretion (and shall be fully protected in making such determination) maturing or redeemable at the option of the holder thereof on or before the next succeeding Interest Payment Date for the Bonds. Notwithstanding the foregoing, moneys in the Debt Service Reserve Fund shall be invested by the Trustee at the direction of an Authorized Officer solely in the investments specified in clauses (1), (2), (3) and (11) of the definition of Investment Obligations and moneys in the Loan Reserve Fund shall be invested as provided in Section 511(A) hereof. Investment Obligations purchased as an investment of moneys in any Fund or Account and Reserve Deposits held in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, until transferred as provided in the Resolution. Unless otherwise

provided herein or in any Supplemental Resolution with respect to any particular Fund or Account, interest and other income derived from the investment or deposit of moneys in any Fund or Account shall be credited upon receipt thereof to such Fund or Account. In making investments hereunder, the Trustee shall be protected in relying on the directions of an Authorized Officer as to the nature, maturity, rate and amount of such investments. *[Amended by Section 102 of the One Hundred and Ninth Supplemental Single Family Housing Revenue Bond Resolution adopted May 10, 2011.]*

(B) In computing the amount in any Fund or Account held by the Trustee under the provisions of the Resolution, Investment Obligations shall be valued at par if purchased at par or at amortized value if purchased at other than par. Amortized value, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (1) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price; and (2) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price. Valuation on any particular date shall include the amount of interest then earned or accrued to such date on any Investment Obligations. In computing the value of any Reserve Deposit held to the credit of any Fund or Account hereunder, such Reserve Deposit shall be valued at the unexpired, undrawn stated amount thereof.

(C) The Trustee shall sell at the best price obtainable, or present for redemption, any obligation purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the Fund or Account for which such investment was made. Draws or demands on any Reserve Deposit or Additional Security, if any, shall be made in the time and manner provided in the agreements relating thereto and in the Supplemental Resolution providing for such Reserve Deposit or Additional Security. The Trustee shall not be liable or responsible for any loss resulting from any such sale or redemption or any such draw or demand except to the extent provided in the agreements relating thereto. The Trustee shall advise the Agency in writing, on or before the 10th day of each calendar month, of the details of all cash and investments held for the credit of, and transactions in, each Fund and Account in its custody under the provisions of the Resolution as of the end of the preceding month.

ARTICLE VI

PARTICULAR COVENANTS OF THE AGENCY

The Agency covenants and agrees as follows:

Section 601. Powers as to Bonds and Pledge. The Agency is duly authorized under the Act and all applicable laws to create and issue the Bonds and to adopt the Resolution and to pledge and grant a security interest in the Loans, Revenues, Reserve Deposits and other property purported to be pledged by the Resolution in the manner and to the extent provided in the Resolution. The Loans, Revenues, Reserve Deposits and other property so pledged are and will

be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge created by the Resolution except to the extent expressly permitted hereby. The Agency shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the Loans, Revenues, Reserve Deposits and other property pledged under the Resolution and all the rights of the Bondholders under the Resolution against all claims and demands of all persons whomsoever. Nothing in this Section shall be deemed to limit the right of the Agency, and the Agency hereby expressly retains the right, to create a pledge, lien or other charge on the Loans, Revenues, Reserve Deposits and other property pledged hereunder junior and subordinate to the pledge and lien created hereby or to pledge to the payment of any obligation of the Agency any amounts paid to the Agency pursuant to clause 9 of Section 506(C) hereof. *[Amended by Section 103 of the One Hundred and Fifty-Second Supplemental Single Family Housing Revenue Bond Resolution adopted November __, 2025.]*

Section 602. Extension of Payment of Bonds. Except as may be expressly provided in any Supplemental Resolution in accordance with Section 203 hereof, the Agency shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any of the claims for interest thereon by the purchase or funding of such Bonds or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled in case of any default under the Resolution to the benefit of the Resolution or to any payment out of any assets of the Agency or the funds (except funds held in trust for the payment of particular Bonds or claims for interest pursuant to the Resolution) held by the Fiduciaries, except subject to the prior payment of the Principal Amount of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing in this Section shall be deemed to limit the right of the Agency to issue Variable Rate Bonds or Tender Bonds or refunding Bonds as provided in Article II and such issuance shall not be deemed to constitute an extension of maturity of Bonds or of the time of payment of any claim for interest.

Section 603. Payment of Lawful Charges. The Agency shall pay all taxes and assessments or other municipal or governmental charges, if any, lawfully levied or assessed upon the Agency or in respect of the Program or upon any Revenues therefrom, when the same shall become due, and shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to any part of the Program, and shall not create or suffer to be created any lien or charge upon the Loans, Revenues, Reserve Deposits, or Funds and Accounts, except as provided in or permitted hereby.

Section 604. Tax Covenants. (A) The Agency shall not use or permit the use of any proceeds of Bonds or any other funds of the Agency, directly or indirectly, to acquire any securities or obligations, and shall not use or permit the use of any amounts received by the Agency or the Fiduciaries with respect to the Loans or Reserve Deposits in any manner, and shall not otherwise take or permit to be taken any other action or actions, which would cause any Bond to be an “arbitrage bond” within the meaning of Section 103(c) of the Code or which would cause any Bond to violate any of the restrictions contained in Section 103A of the Code.

(B) The Agency shall not use or permit the use of any proceeds of Bonds or any other funds of the Agency, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would result in any of the Bonds being treated as an “industrial development bond” within the meaning of Section 103(b) of the Code or a “consumer loan bond” within the meaning of Section 103(o) of the Code.

(C) The Agency shall at all times do and perform all acts and things permitted by law and necessary, or desirable in order to comply with the provisions of Section 103A of the Code and to assure that interest paid by the Agency on the Bonds shall, for purposes of Federal income taxation, be exempt from all income taxation under any valid provision of law.

(D) The covenants and agreements contained in this Section 604 shall not apply to any Bond bearing at the time of original issuance under the Resolution such terms and provisions, or the proceeds of which are applied in such a manner, as shall cause the interest payable on such Bond not to qualify for exemption from Federal income taxation if the Counsel’s Opinion delivered to the Trustee and the Authenticating Agent pursuant to Section 204(B)(2) hereof upon original issuance of such Bond states, in effect, that under then existing laws the interest payable on such Bond is not exempt from Federal income taxation.

Section 605. Issuance of Additional Obligations. (A) Except as permitted by Section 206, Section 207 and Section 601, the Agency shall not hereafter create or permit the creation of or issue any obligations or create any additional indebtedness which will be secured by an equal or prior charge and lien on the Revenues, Loans, Reserve Deposits and other property pledged hereunder or which will be payable from any of the Funds or Accounts established and created by or pursuant to the Resolution prior to the payment or provision for payment of the Bonds, except that additional Series of Bonds may be issued from time to time pursuant to a Supplemental Resolution subsequent to the issuance of the initial Series of Bonds under the Resolution on a parity with the Bonds of such initial Series and secured by an equal charge and lien on the Revenues, Loans, Reserve Deposits and other property pledged hereunder and payable equally and ratably from the Funds or Accounts established and created pursuant to the Resolution, for one or more of the purposes set forth in the Resolution and in accordance with the provisions and limitations provided therein.

(B) The Agency expressly reserves the right to adopt one or more other general bond resolutions and reserves the right to issue other obligations so long as the same are not a charge or lien prohibited by Paragraph (A) of this Section.

Section 606. Program Covenants. (A) The Agency shall from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act as then amended and in effect and with the provisions of the Resolution, use and apply the proceeds of the Bonds, to the extent not reasonably required for other Program purposes of the Agency, to purchase Loans, and shall do all such acts and things necessary to receive and collect Revenues as may be consistent with sound banking practices and principles and shall diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Agency for the enforcement of all terms, covenants and conditions of Loans.

(B) Loans purchased with the proceeds of Bonds and any other moneys available therefor hereunder shall have scheduled payments of principal and interest or other legally enforceable payments available for payment of Principal Installments of and interest on the Bonds which, together with other moneys reasonably anticipated to be available therefor, shall be at least sufficient to pay the Principal Installments of and interest on the Bonds when due and all Program Expenses.

Section 607. Covenants as to Mortgage Loans. (A) No Loan shall be purchased by the Agency from the proceeds of Bonds or other moneys available therefor hereunder, and no Bonds shall be issued by the Agency for the purpose of providing funds with which to purchase Loans, unless the Loans shall comply with, and no Bonds shall be issued by the Agency to pay the principal, redemption premium, if any, and interest on notes issued pursuant to Section 206 hereof or to refund Bonds unless the Loans which were purchased from the proceeds of such notes or Bonds shall also comply with, the terms, conditions, provisions and limitations of this Section and the applicable Supplemental Resolution, and shall have been approved by the Agency.

(B) Each Loan purchased by the Agency hereunder from the proceeds of Bonds or other moneys available therefor under the Resolution shall be secured, shall bear such insurance or guarantees, shall be in the amounts and shall otherwise have such terms and conditions as may be specified in the applicable Supplemental Resolution.

(C) The Agency shall duly and properly service all Loans and enforce the payment and collection of all payments of principal and interest and all escrow payments, if any, thereon or shall cause such servicing to be done by a Mortgage Lender evidencing, in the judgment of the Agency, the capability and experience necessary to adequately service Loans. Each such Mortgage Lender shall enter into a servicing agreement providing that:

(1) all Revenues received by such Mortgage Lender and required to be remitted to the Agency by the terms of any agreement with it shall be deposited with a Fiduciary subject to and in accordance with the provisions of this Resolution;

(2) such Mortgage Lender shall at all times remain qualified to act as such pursuant to such standards as the Agency shall prescribe from time to time and shall determine to be reasonable to maintain the security for the Bonds; and

(3) such Mortgage Lender shall agree to maintain servicing facilities that are staffed with trained personnel to adequately service Loans in accordance with standards normally employed by private institutional mortgage investors, as determined in the Agency's sole discretion, and shall maintain individual files for Loans serviced pursuant to the servicing agreement and provide regular reports to the Agency as to collections and delinquencies with respect to all Loans serviced by such Mortgage Lender.

(D) The Agency shall diligently enforce and take all reasonable steps, actions and proceedings necessary for the enforcement of all terms, covenants and conditions of all Loans including the prompt payment of all Revenues and all other amounts due the Agency

thereunder. The Agency shall at all times, to the extent permitted by law, defend, enforce, preserve and protect the rights and privileges of the Agency and of the Bondholders under or with respect to each Loan provided that the Agency shall have the power and authority to settle a default on any Loan on such terms as the Agency shall determine to be in the best interests of the Agency and the Bondholders and to forbear from taking action with respect to enforcement of a Loan if it determines such forbearance to be in the best interests of the Agency and the Bondholders.

(E) Whenever it shall be necessary in order to protect and enforce the rights of the Agency under a Loan and to protect and enforce the rights and interest of Bondholders under the Resolution, the Agency shall take steps to enforce any policy or certificate of insurance or guaranty or Additional Security relating to a Loan and to foreclose the mortgage or enforce the security interest created by such Loan and to collect, hold and maintain or to sell or otherwise dispose of the collateral securing the note or mortgage which is in default under the provisions of such Loan and, if the Agency deems such to be advisable, shall bid for and purchase such collateral at any sale thereof and acquire and take possession of such collateral.

(F) The Agency shall not sell, assign, transfer or otherwise dispose of any Loan or any of the rights of the Agency with respect to any Loan unless the Agency determines that such action is in the best interests of the Agency and the Bondholders and will not adversely affect the ability of the Agency to pay Aggregate Debt Service when due and Program Expenses in the current and each subsequent Fiscal Year, in which case such Loan may be so disposed of by the Agency free and clear of the pledge of the Resolution.

(G) The Agency may consent or agree to or permit amendment or modification of any Loan including amendments and modifications made in connection with settlement of any delinquency or default on any Loan which settlement the Agency determines to be in the best interests of the Agency and the Bondholders; provided, however, that any amendment or modification shall be permitted only if the amended Loan meets the Agency's eligibility criteria for a Loan which the Agency may purchase and the Agency determines that such modification will not have a material adverse impact, taking into account the reasonable expectations with respect to the Loan in question immediately prior to such modification, on the Agency's ability to pay Aggregate Debt Service when due and Program Expenses in the current and each subsequent Fiscal Year.

Section 608. Annual Budget. (A) Not less than 60 days prior to the beginning of each Fiscal Year the Agency shall adopt and file with the Trustee an annual budget (the "Annual Budget") with respect to the Program for the ensuing Fiscal Year. The Annual Budget shall be accompanied by a Projection of Revenues showing a sufficiency of Revenues to pay Aggregate Debt Service when due and Program Expenses in the current and each subsequent Fiscal Year, or, if not, the Agency shall (i) certify that the adoption of such Annual Budget will result in the greatest estimated availability of Revenues in relation to the amount of Aggregate Debt Service and Program Expenses over the life of the Outstanding Bonds and (ii) shall indicate the source and amount of other moneys available to pay such Aggregate Debt Service and Program Expenses. The Annual Budget shall at least set forth for such Fiscal Year the estimated Revenues, the Principal Installments and the amount of interest due and payable or estimated to become due and payable on the Outstanding Bonds during such Fiscal Year, and estimated

Program Expenses, as well as all estimated Costs of the Program for such Fiscal Year and the sources of moneys to pay such Costs of the Program. The Agency may at any time adopt and file with the Trustee an amended Annual Budget for the remainder of the then current Fiscal Year.

(B) The Agency covenants to pay all Program Expenses and Costs of the Program when due and payable. The Agency further covenants that amounts expended by the Agency in any Fiscal Year for Program Expenses shall not exceed the reasonable and necessary amounts thereof and such amounts so expended in any Fiscal Year shall not exceed the amounts provided therefor in the Annual Budget for such Fiscal Year as amended and supplemented from time to time.

Section 609. Accounts and Reports. (A) The Agency shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Program and all Funds and Accounts established by the Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the Holders of not less than 5% in aggregate Principal Amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) The Agency shall annually, within 120 days after the close of each Fiscal Year, file with the Trustee, and otherwise as provided by law, a copy of an annual report for such year, accompanied by financial statements relating to the Program and containing the report thereon of an independent public accountant or firm of accountants acceptable to the Trustee. Section 701. Supplemental Resolutions Effective Upon Filing. (2) To add to the covenants or agreements of the Agency in the Resolution contained other covenants or agreements to be observed by the Agency which are not contrary to or inconsistent with the Resolution or any applicable Supplemental Resolution as theretofore in effect;

(3) To add to the limitations or restrictions to be observed by the Agency which are not contrary to or inconsistent with the Resolution as theretofore in effect;

(4) To surrender any right, power or privilege reserved to or conferred upon the Agency by the Resolution;

(6) To specify, determine or authorize any and all matters and things relative to the Bonds of a Series or the proceeds thereof which are not contrary to or inconsistent with the Resolution as theretofore in effect.

Section 702. Supplemental Resolutions Effective Upon Consent of Trustee. For any one or more of the following purposes and at any time or from time to time, a resolution of the Agency amending or supplementing the Resolution may be adopted, which resolution upon the (a) filing with the Trustee of a copy thereof certified by the Secretary of the Agency and (b) filing with the Trustee and the Agency of an instrument in writing made by the Trustee consenting to such resolution, shall be fully effective in accordance with its terms:

(1) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; and

(2) To insert any provisions clarifying matters or questions arising under the Resolution as are necessary or desirable and are not contrary to or inconsistent with the Resolution as theretofore in effect.

Section 703. Supplemental Resolutions Effective With Consent of Bondholders. (A) At any time or from time to time, a resolution of the Agency amending or supplementing the Resolution may be adopted modifying any of the provisions of the Resolution or releasing the Agency from any of the obligations, covenants, agreements, limitations, conditions or restrictions therein contained, but no such resolution shall be effective until after the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Agency and unless (1) no Bonds delivered by the Agency prior to the adoption of such resolution remain Outstanding at the time it becomes effective, or (2) such resolution is consented to by or on behalf of Bondholders in accordance with and subject to the provisions of Article VIII.

(B) The provisions of Paragraph (A) of this Section shall not be applicable to resolutions of the Agency adopted and becoming effective in accordance with the provisions of Section 701 or Section 702.

Section 704. Restriction on Amendments. The Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article VIII. The provisions of Paragraph (A) of Section 703 are in all respects subject and subordinate to the provisions, restrictions, exceptions and limitations set forth in Article VIII.

Section 705. Adoption and Filing of Supplemental Resolutions. Any resolution of the Agency referred to and permitted or authorized by Sections 701, 702 or 703 may be adopted by the Agency without the vote or consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. Every such resolution so becoming effective shall thereupon form a part of the Resolution. The copy of every such resolution when filed with the Trustee shall be accompanied by a Counsel's Opinion to the effect that such resolution has been duly and lawfully adopted by the Agency in

accordance with the provisions of the Resolution, is authorized or permitted by the provisions of the Resolution and, when effective, will be valid and binding upon the Agency and enforceable in accordance with its terms. The Agency shall provide each Nationally Recognized Credit Rating Agency then maintaining a rating on the Bonds with a copy of every such resolution. *[Amended by Section 504(A) of the Fourth Supplemental Single Family Housing Revenue Bond Resolution adopted April 17, 1987.]*

Section 706. Authorization to Trustee. The Trustee is hereby authorized to accept the delivery of a certified copy of any resolution of the Agency referred to and permitted or authorized by Sections 701, 702 or 703 and to consent to such resolution and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel (which may be a Counsel's Opinion) that such resolution is authorized or permitted by the provisions of the Resolution.

ARTICLE VIII

AMENDMENTS

Section 801. Mailing of Notices. Any provision in this Article relative to the mailing of a notice or other paper to Bondholders shall be fully complied with if it is mailed, postage prepaid, only (1) to each registered owner of any Bonds then Outstanding at his last address, if any, appearing upon the registry books and (2) to the Trustee.

Section 802. Powers of Amendment. Any modification or amendment of the Resolution and the rights and obligations of the Agency and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution with the written consent, given as hereinafter provided in Section 803, of the Holders of at least 60% in aggregate Principal Amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of similar tenor of any specified Series, maturity and interest rate remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and provided, further, that no such modification or amendment shall permit a change in the terms of redemption or maturity of any Outstanding Bonds or of any installment of interest thereon or a reduction in the Principal Amount or the Redemption Price thereof or the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of its written assent thereto.

Section 803. Consent of Bondholders. The Agency may at any time adopt and file in accordance with the provisions of Section 703 a resolution of the Agency making a modification or amendment permitted by the provisions of Section 802, to take effect when and as provided in this Section. A copy of such resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Agency to Bondholders (but failure to mail such copy and request shall not affect the validity of such resolution when consented to as

in this Section provided). Such resolution shall not be effective unless and until, and shall only take effect in accordance with its terms when, (1) there shall have been filed with the Trustee (a) the written consents of Holders of the percentage of Outstanding Bonds specified in Section 802, and (b) a Counsel's Opinion to the effect required by Section 705 and (2) a notice shall have been mailed as hereinafter in this Section provided. Any such consent shall be binding upon the Holder of the Bonds giving such consent and upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) but, notwithstanding the provisions of Section 1201, such consent may be revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the Trustee prior to but not later than the time the written statement of the Trustee hereinafter in this Section provided for is filed. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentage of Bonds shall have filed their consents to such resolution, the Trustee shall make and file with the Agency a written statement that the Holders of such required percentage of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. At any time thereafter notice, stating in substance that such resolution (which may be referred to as a resolution adopted by the Agency on a stated date a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentage of Bonds and will be effective as provided in this Section, may be given to Bondholders by the Agency by mailing such notice to Bondholders not more than 90 days after the Holders of the required percentage of Bonds shall have filed their consents to the resolution and the written statement of the Trustee hereinabove provided for is filed. The Agency shall file with the Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Trustee, shall be proof of the matters therein stated. Such resolution making such modification or amendment shall be deemed conclusively binding upon the Agency, the Fiduciaries and the Holders of all Bonds upon the mailing of such last-mentioned notice.

Section 804. Modifications by Unanimous Consent. Notwithstanding anything contained in Article VII or in the foregoing provisions of this Article, the terms and provisions of the Resolution and the rights and obligations of the Agency and the Holders of the Bonds, in any particular, may be modified or amended in any respect upon the adoption by the Agency and filing in accordance with the provisions of Article VII of a resolution of the Agency making such modification or amendment and the consent to such resolution of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in Section 803 except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of its written assent thereto in addition to the said consent of Bondholders.

Section 805. Exclusion of Bonds. Bonds owned or held by or for the account of the Agency shall be excluded and shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article. At the time of any consent or other action under this Article, the Agency shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 806. Notation on Bonds. Bonds delivered after the effective date of any action taken as in Article VII or this Article provided may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Agency and the Trustee as to such action and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of such Bond for the purpose at the Principal Office of the Trustee suitable notation shall be made on such Bond by the Trustee as to any such action. If the Agency or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Agency to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series, maturity, tenor and interest rate then Outstanding, in the manner provided in Section 304 hereof.

ARTICLE IX

DEFAULTS AND REMEDIES

Section 901. Events of Default. Each of the following shall constitute an “Event of Default” under the Resolution:

- (1) Default in the payment of the Principal Amount or Redemption Price of any Bond when due, whether at maturity or by call for redemption, or otherwise, or in the payment of any Sinking Fund Installment when due;
- (2) Default in the payment of any installment of interest on any Bond when due;
- (3) Default by the Agency in the performance or observance of any other of the covenants, agreements or conditions on its part provided in the Resolution or in the Bonds and such default shall continue for a period of 30 days after written notice thereof shall be given to the Agency by the Trustee or to the Agency and the Trustee by the Holders of 25% in aggregate Principal Amount of the Bonds Outstanding; provided that if such default cannot be remedied within such 30 day period, it shall not constitute an Event of Default hereunder if corrective action is instituted by the Agency within such period and diligently pursued until the default is remedied;
- (4) If an order, judgment or decree is entered by a court of competent jurisdiction (a) appointing a receiver, trustee, or liquidator for the Agency or the whole or any substantial part of its assets, (b) granting relief in involuntary proceedings with respect to the Agency under the Federal bankruptcy act, or (c) assuming custody or control of the Agency or of the whole or any substantial part of its assets under the provisions of any law for the relief of debtors, and the order, judgment or decree is not set aside or stayed within 60 day from the date of entry of the order, judgment or decree; or
- (5) If the Agency (a) admits in writing its inability to pay its debts generally as they become due, (b) commences voluntary proceedings in bankruptcy or seeking a composition of indebtedness, (c) makes an assignment for the benefit of its creditors, (d) consents to the appointment of a receiver of the whole or any substantial

part of its assets, or (e) consents to the assumption by any court of competent jurisdiction under any law for the relief of debtors of custody or control of the Agency or of the whole or any substantial part of its assets.

Section 902. Remedies. (A) Upon the happening and continuance of an Event of Default, then and in each such case, the Trustee may proceed, and upon the written request of the Holders of not less than 25% in aggregate Principal Amount of the Outstanding Bonds shall proceed, in its own name, to protect and enforce its rights and the rights of the Bondholders by such of the following remedies, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(1) By suit, action or proceeding, to enforce all rights of the Bondholders, including the right to require the Agency to carry out the covenants and agreements as to the Revenues, Reserve Deposits, Additional Security, if any, and Loans and to require the Agency to carry out any other covenant or agreement with Bondholders and to perform its duties under the Act;

(2) By bringing suit upon the Bonds;

(3) By action or suit, to require the Agency to account as if it were the trustee of an express trust for the Holders of the Bonds;

(4) By action or suit, to enjoin any acts or things which may be unlawful or in violation of this Resolution or of the rights of the Holders of the Bonds;

(5) By exercising any and all rights of the Agency with respect to the Revenues, Reserve Deposits, Additional Security, if any, and Loans; and

(6) Unless otherwise provided in the applicable Supplemental Resolution for a particular Series of Bonds or portion thereof, for Events of Default other than as described in Clause (3) of Section 901 by declaring the Principal Amount of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in the Resolution or in any of the Bonds contained to the contrary notwithstanding; provided that the right to make such declaration as aforesaid is subject to the condition that if, at any time after such declaration as aforesaid, all outstanding Events of Default (other than the payment of Principal Amount and interest due and payable solely by reason of such declaration) shall have been cured or provision deemed by the Trustee to be adequate shall be made therefor, then and in every such case, unless a final judgment has been obtained for any Principal Amount or interest coming due and payable solely by reason of such declaration, the holders of 25% in aggregate Principal Amount of the Bonds Outstanding, by written notice to the Agency and to the Trustee, may annul such declaration, or, if the Trustee shall have acted without a direction from Bondholders and if there shall not have been theretofore delivered to the Trustee written direction to the contrary by the holders of 25% in aggregate Principal Amount of the Bonds then Outstanding, then any such declaration shall be deemed to be annulled.

(B) Upon the occurrence of an Event of Default, the Agency, at the request of the Trustee or the Holders of not less than twenty-five per centum (25%) in aggregate Principal Amount of the Outstanding Bonds, shall assign, endorse and convey to the Trustee any and all interests and rights held by the Agency in the Revenues, Loans, Reserve Deposits, Additional Security, if any, and other rights and property pledged hereunder and shall take any other steps requested by the Trustee or Bondholders to further effectuate the rights of the Trustee under this Resolution to such Revenues, Loans, Reserve Deposits, Additional Security rights and property.

Section 903. Application of Revenues and Other Moneys After Default. (A) The Agency covenants that if an Event of Default shall occur and shall not have been remedied, the Agency, upon demand of the Trustee, shall pay over or cause to be paid over to the Trustee upon receipt thereof all Revenues and other property pledged hereunder. Unless otherwise directed by a court, all such Revenues and other property, and any other moneys received or collected by the Trustee acting pursuant to the Act or this Article IX, shall, except as provided below, be held, transferred and applied as provided in Article V.

(B) In the event, that upon the happening and continuance of an Event of Default, the funds held by the Fiduciaries shall be insufficient for the payment of interest and Principal Installments then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Fiduciaries acting pursuant to the Act and this Article IX, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Holders of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by the Fiduciaries in the performance of their duties under this Resolution, shall be applied as follows:

(1) Unless the Principal Amount of all the Bonds shall have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installments, to the persons entitled, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of all unpaid Principal Installments of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all Principal Installments due on any date, then to the payment thereof ratably, according to the amounts of Principal Installments due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the Principal Amount of all of the Bonds shall have become or have been declared due and payable, to the payment of the Principal Amount and interest then due and unpaid upon the Bonds without preference or priority of Principal Amount over interest or of interest over Principal Amount or of any installment of interest over

any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for Principal Amount and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(C) Notwithstanding anything herein to the contrary, all payments on or proceeds of any Reserve Deposit and Additional Security shall be applied by the Trustee in the manner provided in the Supplemental Resolution authorizing such Reserve Deposit and Additional Security.

(D) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Trustee; and the Trustee shall incur no liability whatsoever to the Agency, to any Bondholder or to any other person for any delay in applying any such moneys, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of the Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of Principal Amount to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date.

(E) If and whenever all overdue installments of interest on all Bonds together with the reasonable and proper charges and expenses of the Fiduciaries, and all other sums payable by the Agency under the Resolution, including the Principal Amount and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable by declaration or otherwise, shall either be paid by or for the account of the Agency, or provision satisfactory to the Trustee shall be made for such payment, and all Events of Default under the Resolution shall have been cured, the Trustee shall reassign and endorse the Mortgage Loans to the Agency, and thereupon the Agency and the Trustee shall be restored, respectively, to their former positions and rights under the Resolution and all Revenues and other moneys shall thereafter be applied as provided in Article V. No such reassignment to the Agency by the Trustee or resumption of the application of Revenues as provided in Article V shall extend to or affect any subsequent default under the Resolution or impair any right consequent thereon.

Section 904. Limitation on Powers of Trustee. Nothing in the Resolution contained shall be deemed to give power to the Trustee either as such or as attorney-in-fact of the Bondholders to vote the claims of the Bondholders in any bankruptcy proceeding or to accept or consent to any plan of reorganization, readjustment, arrangement or composition or other like plan, or by other action of any character to waive or change any right of any Bondholder or to give consent on behalf of any Bondholder to any modification or amendment of the Resolution requiring such

consent or to any resolution requiring such consent pursuant to the provisions of Article VII or Article VIII.

Section 905. Action by Trustee. (A) All rights of action under the Resolution or upon any of the Bonds, enforceable by the Trustee, may be enforced by the Trustee without the possession of any of the Bonds, or the production thereof on the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Trustee may be brought in its name for the ratable benefit of the Holders of said Bonds, subject to the provisions of the Resolution.

(B) In the enforcement of any rights under the Resolution, the Trustee shall be entitled to sue for, enforce payment of and to receive any and all amounts then or during any default becoming, and at any time remaining, due for Principal Amount, interest or otherwise under any of the provisions of the Act or the Resolution or of the Bonds and unpaid, with interest on overdue payments, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Trustee or of the Bondholders, and to recover and enforce judgment or decree against the Agency for any portion of such amounts remaining unpaid, with interest, costs and expenses as aforesaid, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 906. Accounting and Examination of Records after Default. The Agency covenants with the Trustee that, if an Event of Default shall have happened and shall not have been remedied, (1) the books of record and account of the Agency and all records relating to the Program shall at all times be subject to the inspection and use of the Trustee and of its agents and attorneys, and (2) the Agency, whenever the Trustee shall demand, will account, as if it were the trustee of an express trust, for all Revenues, Loans, Reserve Deposits, Additional Security, if any, and other property pledged or held under the Resolution for such period as shall be stated in such demand.

Section 907. Restriction on Bondholder's Action. No Holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of the Resolution or for the execution of any trust hereunder or for any other remedy hereunder, unless (1) (a) such Holder previously shall have given to the Agency and the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, (b) after the occurrence of such Event of Default, written request shall have been made of the Trustee to institute such suit, action or proceeding by the Holders of not less than 25% in aggregate Principal Amount of the Bonds then Outstanding and there shall have been offered to the Trustee security and indemnity satisfactory to it against the costs and liabilities to be incurred therein or thereby, and (c) the Trustee shall have refused or neglected to comply with such request within a reasonable time, and (2) such suit, action or proceeding is brought for the ratable benefit of all Holders of all Bonds subject to the provisions of the Resolution.

Section 908. Remedies Not Exclusive. No remedy by the terms of the Resolution conferred upon or reserved to the Trustee (or to Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any

other remedy given hereunder or now or hereafter existing at law or in equity or by statute, except as provided in Section 904 and Section 907.

Section 909. Control of Proceedings. The Holders of a majority in aggregate Principal Amount of the Bonds then Outstanding shall have the right, subject to the provisions of Section 907, by an instrument in writing executed and delivered to the Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee; provided, however, that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to Bondholders not parties to such direction.

Section 910. Effect of Waiver and Other Circumstances. No delay or omission of the Trustee or of any Holder of Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein, and every right, power and remedy given by the Resolution to them or any of them may be exercised from time to time and as often as may be deemed expedient by the Trustee or, in an appropriate case, by the Bondholders. In case the Trustee shall have proceeded to enforce any right under the Resolution, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the Agency and the Trustee will be restored to their former positions and rights hereunder as if no such proceedings had been taken.

Section 911. Right to Enforce Payment of Bonds Unimpaired. Nothing in this Article contained shall effect or impair the right of any Bondholder to enforce the payment of the Principal Amount of and interest on such Bond, or the obligation of the Agency to pay the Principal Amount of and interest on each Bond to the Holder thereof, at the time and place in said Bond expressed.

ARTICLE X

THE FIDUCIARIES

Section 1001. Trustee. U.S. Bank National Association, as successor to State Street Bank and Trust Company, is hereby appointed successor Trustee hereunder, and the property, rights, powers and duties of the Trustee under the Resolution are hereby vested in said Trustee in trust for the Bondholders.

Section 1002. Paying Agents. The Trustee shall act as a Paying Agent for all Series of Bonds. The Agency may appoint one or more additional Paying Agents for the Bonds of each Series by the applicable Supplemental Resolution adopted prior to their delivery, and may at any time or from time to time by Supplemental Resolution appoint one or more other Paying Agents for such Bonds. Each Paying Agent shall be a bank, trust company or national banking association, having trust powers and having a capital and surplus aggregating at least \$25,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to

perform all the duties imposed upon it by the Resolution. Each Paying Agent (other than the Trustee) shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the Agency a written acceptance thereof.

Section 1003. Responsibilities of Fiduciaries. The recitals of fact herein and in the Bonds contained shall be taken as the statements of the Agency and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of the Resolution or of any Bonds issued thereunder or in respect of the security afforded by the Resolution, and no Fiduciary shall incur any responsibility in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except the Trustee to the extent such proceeds are paid to the Trustee in its capacity as Trustee, or the application of any moneys paid to the Agency or others in accordance with the Resolution. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any action or suit in respect of the Resolution or Bonds, or to advance any of its own moneys, unless properly indemnified. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. The Authenticating Agent shall, however, be responsible for its representation contained in its certificate of authentication on the Bond to the extent provided in Article 8, Section 208, as amended, of the Massachusetts Uniform Commercial Code. The Trustee prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties as are specifically set forth in the Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by the Resolution, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provisions of the Resolution relating to action taken or to be taken by the Trustee or the evidence upon which the Trustee may rely shall be subject to the provisions of this Section 1003.

Section 1004. Funds Held in Trust. All moneys held by any Fiduciary, as such, at any time pursuant to the terms of the Resolution shall be and hereby are assigned, transferred and set over unto such Fiduciary in trust for the purposes and under the terms and conditions of the Resolution.

Section 1005. Evidence on Which Fiduciaries May Act. Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be counsel to the Agency, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer stating the same, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of the Resolution upon the faith thereof, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such

further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by or on behalf of the Agency to any Fiduciary shall be sufficiently executed if executed by an Authorized Officer.

Section 1006. Compensation and Expenses. Unless otherwise provided by contract with the Fiduciary, the Agency shall pay to each Fiduciary from time to time reasonable compensation for all services rendered by it hereunder, and also reimbursement for all its reasonable expenses, charges, legal fees and other disbursements and those to its attorneys, agents and employees, incurred in and about the performance of its powers and duties hereunder, and each Fiduciary shall have a lien therefor on any and all funds at any time held by it hereunder, other than the Rebate Fund, which shall be prior to the lien in the favor of any Bondholder. The Agency shall indemnify and save each fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to its negligence or default.

Section 1007. Certain Permitted Acts. Any Fiduciary may become the owner of or may deal in Bonds as fully and with the same rights it would have if it were not a Fiduciary. Any Fiduciary may act as an agent for the Holders of Tender Bonds or any other person obligated to accept tenders of Bonds in connection with the redemption or repurchase of Bonds or the payment of fees and expenses related thereto. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or the Resolution, whether or not any such committee shall represent the holders of a majority in aggregate Principal Amount of the Bonds Outstanding.

Section 1008. Resignation. The Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations created by the Resolution by giving not less than 60 days' written notice to the Agency and mailing notice thereof, specifying the date when such resignation shall take effect, to the Holders of all Bonds Outstanding within 20 days after the giving of such written notice. Such resignation shall take effect upon the day specified in such notice provided a successor has been appointed as provided herein by the Agency or Bondholders, unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor. A Paying Agent (other than the Trustee) may at any time resign and be discharged of its duties and obligations created by the Resolution according to the terms of the Paying Agent's agreement with the Agency and otherwise by giving 30 days' written notice to the Agency.

Section 1009. Removal. The Trustee, or any successor thereof, may be removed at any time by the Holders of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Agency, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Bondholders or by their attorneys duly authorized in writing and delivered to the Agency. Copies of each such instrument shall be delivered by the Agency to the Trustee and any successors thereof. A Paying Agent (other than the Trustee) may be removed at any time by the Agency, upon filing with the Trustee and with

such Paying Agent a copy of the resolution of the Agency, certified by an Authorized Officer, providing for the removal.

Section 1010. Appointment of Successor Fiduciary. In case at any time a Fiduciary, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of such Fiduciary or of its property shall be appointed, or if any public officer shall take charge or control of such Fiduciary or of its property or affairs, a successor may be appointed (1) in the case of the Trustee, by the Holders of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Agency, by an instrument or concurrent instruments in writing signed by such Bondholders or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the Agency and the predecessor Trustee and any other Fiduciaries, and (2) in the case of a Paying Agent, by the Agency, notification thereof being given to the predecessor Paying Agent and any other Fiduciaries. Pending appointment of a successor Trustee by Bondholders, the Agency shall forthwith appoint a Trustee to fill such vacancy until a successor Trustee shall be appointed by Bondholders as herein authorized. The Agency shall mail notice of any such appointment to the Holders of all Bonds Outstanding and each Nationally Recognized Credit Rating Agency then maintaining a rating on the Bonds within 20 days after such appointment. Any successor Trustee appointed by the Agency shall, immediately and without further act, be superseded by a Trustee appointed by Bondholders. If in a proper case no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section or Section 1008 within 45 days after the Trustee shall have given to the Agency written notice as provided in Section 1008 or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any other Fiduciary or any Bondholder may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Trustee. Any successor Trustee appointed under the provisions of this Section shall be a bank or trust company organized under the laws of the Commonwealth or a national banking association, doing business and having its Principal Office in the Commonwealth, and having a capital and surplus aggregating at least \$45,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the Resolution. *[Amended by Section 504(B) of the Fourth Supplemental Single Family Housing Revenue Bond Resolution adopted April 17, 1987.]*

Section 1011. Transfer of Rights and Property to Successor Fiduciary. Any successor Fiduciary appointed hereunder shall execute, acknowledge and deliver to its predecessor Fiduciary, and also to the Agency, an instrument accepting such appointment, and thereupon such successor Fiduciary, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Fiduciary, with like effect as if originally named herein or pursuant hereto as such Fiduciary, but the Fiduciary ceasing to act shall nevertheless, on the written request of the Agency or of the successor Fiduciary, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Fiduciary all the right, title and interest of the predecessor Fiduciary in and to any property held by it under the Resolution, and shall pay over,

assign and deliver to the successor Fiduciary any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Agency be required by such successor Fiduciary for more fully and certainly vesting in and confirming to such successor Fiduciary any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledge and delivered by the Agency.

Section 1012. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a patty or any company to which such Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company or national banking association which is qualified to be a successor to such Fiduciary under Section 1002 or 1010, as applicable, and shall be authorized by law to perform all the duties imposed upon it by the Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. (A) If the Agency shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Bonds then Outstanding, the Principal Amount and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in the Resolution, and the Agency shall pay or provide for the payment of all fees and expenses of the Fiduciaries, then the pledge of any Revenues, Loans, Reserve Deposits, Additional Security, if any, or other property pledged by the Resolution and all other rights granted by the Resolution shall be discharged and satisfied. In such event, the Trustee shall, upon request of the Agency, execute and deliver to the Agency all such instruments as may be desirable to evidence such release and discharge and the Fiduciaries shall pay over or deliver to the Agency all moneys or securities held by them pursuant to the Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(B) Bonds or portions thereof or interest installments for the payment or redemption of which moneys shall be held by the Fiduciaries (through deposit by the Agency of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in Paragraph (A) of this Section 1101. All Outstanding Bonds of any Series or any part of a Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in Paragraph (A) of this Section 1101 if (1) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Agency shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give notice of redemption of such Bonds as provided in Article IV, (2) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Obligations as defined in clauses (1) or (2) of the definition of Investment Obligations and not subject to redemption at the option of the issuer thereof prior to the due date

thereof the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the time of deposit of such Investment Obligations, shall be sufficient, to pay when due the Principal Amount or Redemption Price, as applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (3) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Agency shall have given the Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the holders of such Bonds that the deposit required by clause (2) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with Paragraph (A) of this Section 1101 and stating the maturity or redemption date upon which moneys are to be available for the payment of the Principal Amount or Redemption Price, as applicable, on said Bonds. Neither Investment Obligations nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal Amount, or Redemption Price, as applicable, and interest on said Bonds; provided that any cash received from the principal or interest payments on such Investment Obligations deposited with the Trustee, if not then needed for such purpose, may, to the extent practicable, be reinvested in Investment Obligations as defined in clauses (1) or (2) of the definition of Investment Obligations maturing at times and in principal amounts sufficient to pay when due the Principal Amount or Redemption Price, as applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be. After the making of the payments for which such Investment Obligations or moneys were held, any surplus shall be paid over to the Agency as received by the Trustee, free and clear of any trust, lien or pledge.

(C) For purposes of determining whether Variable-Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of moneys, or Permitted Investments and moneys, if any, in accordance with Paragraph (B) hereof, the interest to come due on such Variable-Rate Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Variable Rate Ceiling; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such Variable Rate Ceiling for any period, the total amount of moneys and Permitted Investments on deposit with the Trustee for the payment of interest on such Variable-Rate Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Variable-Rate Bonds in order to satisfy the provisions of Paragraph (B) above, the Trustee shall, if requested by the Agency, pay promptly the amount of such excess to the Agency free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

(D) Tender Bonds shall be deemed to have been paid in accordance with Paragraph (B) hereof only if, in addition to satisfying the requirements thereof, there shall have been deposited with the Trustee moneys in an amount which shall be sufficient to pay when due the maximum Principal Amount and Redemption Price of and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to the provisions of Paragraph (B) above, the options originally exercisable by the Holders of Tender Bonds are no longer exercisable, such Bonds shall not be considered

Tender Bonds for purposes of this Paragraph (B). If any portion of the moneys deposited with the Trustee for the payment of the Principal Amount or Redemption Price of and interest on Tender Bonds is not required for such purpose the Trustee shall, if requested by the Agency, pay promptly the amount of such excess to the Agency free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Resolution.

(E) Anything in the Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any Bonds which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates, by acceleration not annulled or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the written request of the Agency, be repaid by the Fiduciary to the Agency, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Agency for the payment of such Bonds; provided, however, that before being required to make any such payment to the Agency the Fiduciary shall, at the expense of the Agency, cause to be mailed to the Holders of all Bonds Outstanding a notice that said moneys remain unclaimed and that, after a date named in such notice, which date shall not be less than 30 days after the date of mailing of such notice, the balance of such moneys then unclaimed will be returned to the Agency.

ARTICLE XII

MISCELLANEOUS

Section 1201. Evidence of Signatures of Bondholders and Ownership of Bonds. The amounts held by any Fiduciary for the payment of the interest, Principal Amount or Redemption Price due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the Holders of the Bonds entitled thereto, and for the purposes of the Resolution such interest, Principal Amount or Redemption Price, after the due date thereof, shall no longer be considered to be unpaid.

Section 1204. Parties Interested Herein. Nothing in the Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any person, other than the Agency, the Fiduciaries and the Holders of the Bonds; any right, remedy or claim under or by reason of the Resolution or any covenant, stipulation, obligation, agreement or condition therein. All the covenants, stipulations, obligations, promises and agreements in the Resolution contained by and on behalf of the Agency shall be for the sole and exclusive benefit of the Agency, the Fiduciaries and the Holders of the Bonds.

Single Family Housing Revenue Bond Resolution

Amendment to Create Support Fund

November 12, 2025

2017 Issuer Fee Amendment

- In 2017, MassHousing determined to establish a mechanism for the withdrawal of a percentage of the earnings generated from its allowable spread - the difference between the mortgage interest received on loans versus the lower yield paid out to bondholders
- A springing amendment to the Single Family Housing Revenue Bond ("SFHRB") General Resolution was drafted that would permit the withdrawal of an administrative "Issuer Fee" on semi-annual June 1 and December 1 dates

What is the Issuer Fee?

The fee charged by MassHousing on single family loans originated with the proceeds of a series of single family bonds is called the Issuer Fee.

How is it calculated?

The Issuer Fee is authorized to be assessed at a rate of 0.125% on the outstanding principal amount of single family bonds for each semi-annual period. For example, \$125,000 may be collected semi-annually on each \$100,000,000 of single family bonds outstanding.

How are fees used?

Funds collected may be used to support the program and used as the Agency deems appropriate. Amounts are not pledged to bondholders and are excluded from rating agency cash flows.

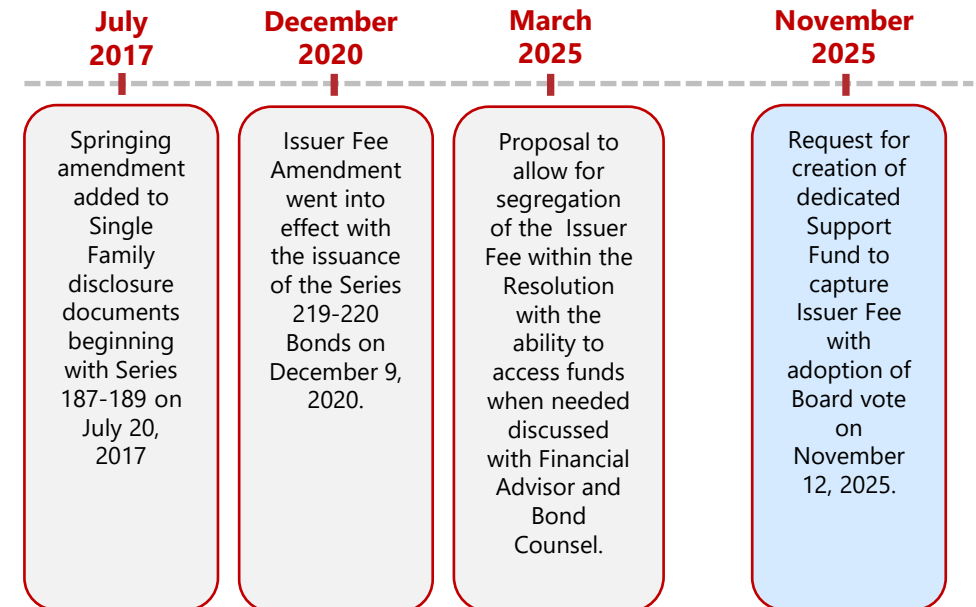

What is a springing amendment?

A springing amendment is a change structured to take effect only upon the occurrence of certain future events.

In this case, the Issuer Fee amendment took effect only after at least 60% of all outstanding single family bonds had been sold with documents that disclosed the amendment.

2017 Issuer Fee Amendment

- The Issuer Fee Amendment was included in bond documents beginning with the Series 187-189 Bonds in July 2017
- The Issuer Fee amendment went into effect when, with the issuance of the Series 219-220 Bonds in December 2020, approximately 63.5% of bondholders were deemed to have provided their consent to the proposed changes
- The Issuer Fee could be assessed on all outstanding bonds issued on or after the date of adoption of the Amendment
- However, MassHousing elected to retain potential Issuer Fee amounts within the Resolution to facilitate significant funding of Down Payment Assistance (DPA) Loans and other beneficial lending

Issuer Fee Transfers

- MassHousing currently has authorization to transfer assessed amounts out of the Resolution on semi-annual debt service payment dates of June 1 and December 1 only
- While the Issuer Fee Amendment went into effect in December 2020, no transfers of earned fees were contemplated until 2025
- Instead, amounts were retained within the Resolution to increase its wealth, improve asset parity ratio and allow the Agency to support DPA and other vital lending efforts
- This solution to create a sub-account within the Resolution will allow fee amounts to remain within the Resolution yet also be accessible when needed

SFHRB Issuer Fee Analysis

Five Year Estimate of Potential Maximum Fee

Interest Payment Date	Total Bonds Outstanding	Maximum Issuer Fee
12/1/2025	\$1,778,420,000	\$2,220,000
6/1/2026	\$1,970,010,000	\$2,460,000
12/1/2026	\$2,142,980,000	\$2,675,000
6/1/2027	\$2,308,125,000	\$2,885,000
12/1/2027	\$2,461,830,000	\$3,075,000
6/1/2028	\$2,605,420,000	\$3,255,000
12/1/2028	\$2,734,330,000	\$3,415,000
6/1/2029	\$2,863,220,000	\$3,575,000
12/1/2029	\$2,984,045,000	\$3,730,000
6/1/2030	\$3,098,740,000	\$3,870,000

Assumptions:

0.125% on outstanding bonds each June 1 and December 1, Series 219 and later
100% PSA prepayment speed
\$500MM annual bond issuance

Support Fund Amendment

- Currently, the Resolution does not allow for accrual of earned fees - distribution of funds is only possible on each June 1 and December 1 if requested with a requisition
- Rather than forfeit the ability to access funds at any time, MassHousing's Financial Advisor, cfX, proposed the creation of a new sub-account within the Resolution to be designated as the "Support Fund"
- Amounts shall be transferred automatically by the trustee from the Revenue Account to the Support Fund and held within the Resolution, but these funds would be accessible as needed

What is the Support Fund?

A sub-account within the SFHRB Resolution where Issuer Fees will be held segregated from other Resolution funds until needed.

How are Issuer Fees calculated?

Each June 1 and December 1, on all outstanding bonds beginning with Series 219-220 and including all subsequent bonds, an amount equal to 0.125% of the outstanding principal

How are fees used?

Funds collected may be used to support the program and used as the Agency deems appropriate either within the SFHRB Resolution or elsewhere in the Agency.
