Responses to Questions | Request for Proposals: Post-Purchase Loan Quality Control & Servicing Quality Control

Updated January 6, 2025

Q: We created software that housing authorities/lenders subscribe to perform QC inhouse with their internal staff. Is this something you are interested in?

A: We are at this time interested in outsourcing and not doing this work in-house. If your company has vendors who use your software to provide outsourced QC services to entities like MHFA, you can alert them to the RFP.
