I. STATEMENT OF PURPOSE

MassHousing is requesting proposals pursuant to this Request for Proposals (“RFP”) for a consultant to enter into a 3-year contract with the option of two 2-year extensions for a total of 7 years. The services for which MassHousing is requesting proposals consist of virtual hoarding consultation services and in-person onsite resident workshops to support our property management business partners in addressing hoarding behaviors among residents in TAP-enrolled developments.

II. BACKGROUND

MassHousing is a self-supporting, independent state agency established in 1966 to provide mortgage financing and related services for affordable housing in Massachusetts. The agency raises capital through the issuance of taxable and tax-exempt bonds and is structured around six main business lines: Rental Business Development, Rental Underwriting, Rental Management, Home Ownership Lending, Home Ownership Production, and Home Ownership Servicing & Operations. Support functions include legal, IT, and finance.

Key Business Areas

- **Rental Management** oversees multifamily portfolios, ensuring regulatory and subsidy compliance, and provides contract administration services, including for HUD.
- **Home Ownership Servicing & Operations** manages a portfolio of loans for first-time and qualified homebuyers originated through MassHousing’s network of lenders.
- **Mortgage Insurance Fund (MIF)** serves as a primary mortgage insurer for MassHousing loans and is recognized by Fannie Mae, Freddie Mac, and local financial institutions.
- **Massachusetts Community Climate Bank (MCCB)** supports decarbonization in the residential housing sector, focusing on low- and moderate-income multifamily and single-family properties.

The Housing Stability Department works with the Rental Business line to reduce evictions and advance opportunity in multifamily communities across MassHousing sites through programming, investments, training, and technical assistance. The Housing Stability Department is the sponsor of this RFP.

Housing Stability Department programming includes the [TAP Program](#), a membership program available to affordable housing communities across the Commonwealth of Massachusetts. TAP offers member sites unlimited access to trainings; a choice of diverse programs and workshops for residents; dispute resolution services to help address on-site conflict; and hoarding consultation, workshops, and flex funds.

For more, visit www.MassHousing.com or MassClimateBank.com. Key financial documents and reports are available on the [MassHousing Investor Page](#).

III. SCOPE OF WORK

Hoarding disorder is a [complex mental health disorder](#) which can result in an unsafe living environment, due to unsanitary conditions, fire hazards, etc., for the resident with the hoarding behavior and other neighboring residents, as well as for staff who must enter the unit. Hoarding behaviors can result in housing instability for the resident.

MassHousing seeks a single vendor to provide statewide virtual hoarding consultation and coaching services (HCS) to site staff (property mgmt., resident services coordinator, maintenance), monthly group hoarding case discussions with site staff, and statewide in-person onsite hoarding-related programming for residents.

TAP-enrolled sites may access HCS as needed through the following planned process:

1. Staff at the TAP-enrolled development (TAP Site Staff) will complete a Hoarding Consultation Request Form (HCR) and send it to the MassHousing Housing Stability Department (HSD).
2. HSD will collect general information from the HCR and then share it with the HCS vendor.
3. The HCS vendor will reach out to the TAP Site Staff to schedule a virtual hoarding consultation or an onsite hoarding-related program.
4. Upon completion of each hoarding consultation or program, the HCS vendor will collect data on a HCS data collection form.
5. HCS Data Forms must be submitted to HSD quarterly with an invoice from the HCS vendor. Invoices will not be paid without a completed HCS Data Forms.

Monthly group hoarding case discussions will be held every month from September – June. Each month will focus on a specific hoarding-related topic, e.g., use of the [Universal Inspection Checklist](#). The topics will be shared with HSD at least 2 weeks prior to the discussion group.

IV. CONTENT OF PROPOSALS

This RFP is designed to elicit all information considered essential to evaluating each proposal. There is no intent to limit the content of the proposals. Respondents may include such additional information as may be appropriate, or offer alternate solutions, but should not exclude any information requested in this RFP.
