## Lista de Moradias para Locação da MassHousing

### Sobre a MassHousing

A MassHousing é uma agência estatal independente, que foi criada pela assembleia estadual de Massachusetts em 1966 para financiar a produção e a preservação de habitações com preços acessíveis.

Oferecemos empréstimos para construtoras imobiliárias e proprietários de complexos de apartamentos para que construam unidades novas ou reformem as existentes. Também fornecemos supervisão limitada para apartamentos para locação, subsidiados e financiados pelo Departamento de Habitação e Desenvolvimento Urbano dos EUA.

Embora a MassHousing tenha financiado milhares de unidades de habitação para locação, não administramos esses imóveis depois de completo. Todos esses imóveis são administrados privadamente e qualquer pessoa que deseje alugar um apartamento em um imóvel financiado ou supervisionado pela MassHousing deve contatar a administradora apropriada.

### Sobre esta lista

Este livro contém informações detalhadas sobre mais de 800 imóveis financiados e/ou supervisionados pela MassHousing.

Obs.: Este livro NÃO contém informações sobre vagas, listas de espera ou o processo de solicitação; para obter essas informações, você deve contatar o escritório local do imóvel.

### Como a lista está organizada

Os imóveis estão organizados por cidade, e depois alfabeticamente pelo nome do imóvel. As listas por cidade contêm as seguintes informações:

- Endereço
- Escritório Local e Informações de Contato da Empresa Administradora
- Apartamentos por número de quartos, tipo (família, idoso, acessível).

### Empreendimentos da Seção 8

No final deste livro, consta uma lista de conjuntos habitacionais com subsídios da Seção 8. É um subconjunto da lista de moradias geral. As informações de contato para os escritórios de administração estão disponíveis na lista de imóveis individuais, na parte principal deste livro.

### Observação especial para fornecedores/defensores de habitação

Este livro ajudará você a identificar quais imóveis têm subsídios com base em projetos e quais foram financiados pela MassHousing:

- Os empreendimentos com uma marca de verificação na coluna identificada como Subsídios com Base em Projeto têm unidades vinculadas a subsídios com base em projetos (Seção 8 ou MRVP). Os Candidatos não precisam de um subsídio ou vale (voucher) com base em locatário (ou móvel) para essas unidades. Contudo, os procedimentos usuais da lista de espera e limites de renda para elegibilidade ainda se aplicam ([www.huduser.org/datasets/il.html](http://www.huduser.org/datasets/il.html)).

- Os empreendimentos com uma marca de verificação na coluna identificada como Financiados pela MassHousing foram financiados pela MassHousing. Para os empreendimentos que não estão identificados como Financiados pela MassHousing, a MassHousing fornece a administração de contrato nos termos da Seção 8 em nome do Departamento de Habitação e Desenvolvimento Urbano. Observe que a MassHousing só oferece conferências de rejeição para candidatos rejeitados para admissão para empreendimentos financiados pela MassHousing

### Inscrição para uma unidade acessível

Para obter informações sobre vagas, listas de espera, requisitos para elegibilidade ou o processo de solicitação, você deve contatar o escritório local do imóvel. Cada imóvel nesta Lista de Moradias mantém pelo menos uma parte de suas unidades como acessíveis para moradores da área. Favor observar que a demanda por unidades acessíveis é alta e as listas de espera são longas para apartamentos acessíveis.

### Quem pode se candidatar às unidades acessíveis

Os apartamentos estão disponíveis sem consideração a raça, credo, cor ou origem nacional, e estão sujeitos a regulamentações de habitação justa federais e estaduais. A ninguém pode ser recusado o direito de se candidatar a uma lista de espera, a não ser que esteja fechada para um tamanho ou tipo de unidade específico. O administrador do imóvel deve publicar um aviso informando sobre o direito de qualquer pessoa a contatar a MassHousing para confirmar o fechamento de lista de espera. Os apartamentos acessíveis estão sujeitos a renda familiar e regulamentações sobre o tamanho da família. Os requisitos para elegibilidade variam por local. Para ver se você é elegível para se candidatar a uma unidade acessível, entre em contato com o escritório local da propriedade.

### Limites de renda e aluguel

Os limites de renda e aluguel estão disponíveis em [www.huduser.org/datasets/il.html](http://www.huduser.org/datasets/il.html) e [www.huduser.org/datasets/fmr.html](http://www.huduser.org/datasets/fmr.html), respectivamente.
